Readings from Voices of a People's History of the United States Howard Zinn, Anthony Arnove, 2006-11-07

Bold and empowering words from America's struggles past and present are resurrected here by some of our leading living voices. Authors Howard Zinn and Anthony Arnove are joined here by Danny Glover, Sarah Jones, Paul Robeson Jr, Lili Taylor, Wallace Shawn, Marisa Tomei, and Kurt Vonnegut perform the rousing words of dissent that have shaped and quickened the pulse of a nation. The audio CD consists of twenty-one readings thoughtfully selected by Zinn and Arnove from *Voices of a People's History of the United States*, the long-awaited primary source companion.

A People's History of the United States Howard Zinn, 2015-11-17

THE CLASSIC NATIONAL BESTSELLER. A wonderful, splendid book, a book that should be read by every American student or otherwise who wants to understand his country, its true history, and its hope for the future.

Howard Fast, Historian Howard Zinn's *A People's History of the United States* chronicles American history from the bottom up, throwing out the official narrative taught in schools with its emphasis on great men in high places to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, it is the only volume to tell America's story from the point of view of and in the words of America's women, factory workers, African Americans, Native Americans, the working poor, and immigrant laborers. As Zinn shows, many of our country's greatest battles—the fights for a fair wage, an eight-hour workday, child labor laws, health and safety standards, universal suffrage, women's rights, racial equality—were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States* features insightful analysis of the most important events in our history. This edition also includes an introduction by Anthony Arnove, who wrote, directed, and produced *The People Speak* with Zinn, and who coauthored with Zinn *Voices of a People's History of the United States*.

A Young People's History of the United States Howard Zinn, 2011-01-04

A Young People's History of the United States brings to US history the viewpoints of workers, slaves, immigrants, women, Native Americans, and others whose stories and their impact are rarely included in books for young people. *A Young People's History of the United States* is also a companion volume to *The People Speak*, the film adapted from *A People's History of the United States* and *Voices of a People's History of the United States*. Beginning with a look at Christopher Columbus's arrival through the eyes of the Arawak Indians, then leading the reader through the struggles for workers' rights, women's rights, and civil rights during the nineteenth and twentieth centuries, and ending with the current protests against continued American imperialism, Zinn, in the volumes of *A Young People's History of the United States*, presents a radical new way of understanding America's history. In so doing, he reminds readers that America's true greatness is shaped by our dissident voices, not our military generals.
