1 **BRAIN ACTIVITY** surges, then it stops.

2 Your body **TEMPERATURE** drops about 1.6 °F per hour until you reach room temperature.

3 Your cells begin dying due to a lack of oxygen, then start to break down and leak – beginning the process of **PUTREFACTION**.

4 Calcium builds up in the muscles, causing them to tense. This "**RIGOR MORTIS**" lasts roughly 36 hours.

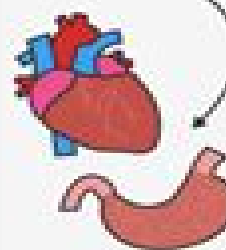

5 Eventually your **MUSCLES** relax, causing you to release any remaining feces or urine.

6 Your **SKIN SHRINKS** as it dries out, making your hair and nails seem like they're growing.

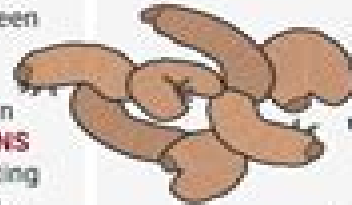

7 Gravity pulls your blood down, making light-skin look pale with **REDDISH SPLOTCHES**.

8 You turn green in spots because **ENZYMES** in your **ORGANS** start digesting themselves, usually with the help of bacteria.

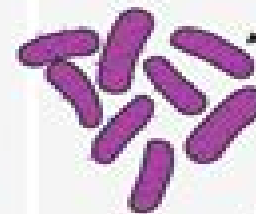

9 You start to smell terrible because your decaying body releases chemicals like **PUTRESCINE/ CADAVERINE**.

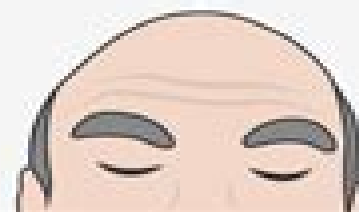

10 Bugs eat you – **MAGGOTS** can digest 60% of a body within a week.

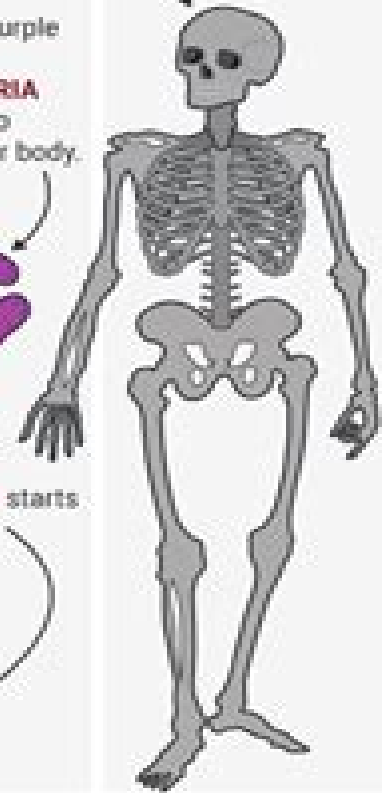

11 You turn purple then black as **BACTERIA** continue to digest your body.

12 Your **HAIR** starts to fall out.

13 If your body is left at 50°F, it will take about four months for your soft tissues to decompose until just your **SKELETON** is all that is left.

## **What Happens After You Die:**

The Afterlife Revealed Michael Tymn, 2011-05 At the very foundation of religious faith and hope is a belief that consciousness will survive death and that we will live on in another dimension of reality But that foundation easily crumbles when scientific minds are unable to wrap their brains around an afterlife when they are unable to visualize a non material world As the foundation gives way the philosophy of materialism takes hold and gives rise to moral decadence egocentricity hypocrisy hatred disorder flux strife chaos and fear Such seems to be the state of the world today There is so much to be found outside the highly guarded boundaries of mainstream science and orthodox religion for those willing to open their minds to it for those willing to recognize that the dissemination of Truth did not stop with the good books of organized religion and cannot always be found in the laboratory Beginning in 1848 a number of sensitive people began developing as mediums bringing forth communications from the spirit world One of the skeptics investigating the popular madness was Professor Robert Hare of the University of Pennsylvania Intending to debunk it all Hare would after extensive research become a believer When he asked an apparently advanced spirit what it was all about he was told that it was a deliberate effort on the part of the inhabitants of the higher spheres to break through the partition which has interfered with the attainment by mortals of a correct idea of their destiny after death Unfortunately both orthodox religion and mainstream science acting out of ego and fear have rebuked the efforts of those inhabitants of the higher spheres to enlighten us thus permitting the foundations of both faith and hope to further crumble In *The Afterlife Revealed* Michael Tymn sets forth some of the most credible messages from the spirits relative to the nature of their world Instead of a heaven hell dichotomy we are told that there are many levels or as Jesus is quoted many mansions and that we cross over to the other side based on what might be called a moral specific gravity We discover a Divine plan one of attainment and attunement of gradual spiritual growth of evolution of spirit through progressively higher planes We see how we are really souls occupying bodies rather than bodies housing souls and how our souls are progressing in finding their way back to Oneness with the Creator through the challenges the adversities the trials and tribulations offered us in a particular lifetime *What Happens After You Die* Randy Frazee, 2017-05-02 Get real biblical answers to all your questions about life after death In both Christian and pop culture there is a fascination with the afterlife but also so much confusion with people asking questions like What happens after you die What happens if you die with Christ or without Christ What happens when Jesus returns if you have or haven't accepted Christ What exactly comes next In *What Happens After You Die* Randy Frazee the popular pastor of Oak Hills and general editor of the wildly successful *Believe* and *The Story* programs answers your perennial questions about the afterlife with an accessible exploration of what the Bible really has to say on the subject Born out of a deeply personal search for truth after the death of his mother *What Happens After You Die* is a straightforward exploration of what the Bible says about life after death From heaven and hell to the Lake of Fire and the actual presence of God Frazee uncovers what is simply cultural

of these things If we want to find out about what happens in eternity if we want to find out about life after death or what happens at death the best place we can go is to the one who made it known Live with Purpose Men s Breakfast Ghenna was the town rubbish dump a present reality and Hades is an afterlife a future reality in English its Hell When we think of Hell we tend to think about them in the future but in the vast majority of Jesus teachings Hell was us in the present Heaven Hell are both true and both occupied in the here now They are also both true of another place in the future which is also occupied by real people Jesus emphasis was far far far more on one instead of the other When you take care of the poor and the afflicted that is what it means to know God Are You Worthy There are 4 verses in the Bible that say homosexuality s wrong and 2000 verses in the Bible that tell us to love each other have we got our emphasis wrong Who is worthy to break the seals and open the scrolls No one in heaven or earth or under the earth could open the scroll or even look inside of it There are people already in heaven who aren t worthy The Flames of Heaven is God s relentless pursuit to make you the best you can be in His kingdom without taking your free will away Hell will let you stay greedy or a racist heaven won t Be the Salt and Light There are 6 mentions of fire in hell but 229 mentions of fire in heaven If you walked into heaven tomorrow what parts of you would be burned up 15 of 18 of Jesus mentions of hell was about us here now It s about what are you bringing to the earth How s your lust problem How s your anger problem Do you call people fools How is fear of man instead of fear of God What are you bringing to the earth Resurrection of the Dead Jesus was the first fruits the first born to be resurrected from the dead and appear to many in a resurrection body immortal incorruptible able to vanish in and out no longer constrained by the physical world He was a pattern for all that is to follow This teaching covers the first resurrection 1000 year reign of Christ on earth and the second resurrection Which one will you be in Eternal Judgment Sometimes we focus a lot on the grace of God the goodness of God the mercy of God we forget or overlook that there is another side that God is also holy and He s just His justice requires that He deal with how we ve governed our life and what we ve done in our life All of you have an appointment to keep with this There is no exception Matt 16 27 I come and my reward is with me to give to every man according to his work <http://mikeconnellministries.com> <http://shanewillardministries.com> <http://vimeo.com/mikeconnell/salt>

Imagine awakening in a place where time no longer bends to clocks where silence carries the weight of centuries and where truth itself is laid bare Life After Death Judgment Day is not just a story it s an experience It asks you the questions you ve never dared to answer aloud What comes next What will you face when everything you were everything you hid and everything you became is placed on the scales In this world there are no disguises and no shadows safe enough to hide within Every choice you made while alive is summoned before the eternal tribunal Allies may appear as echoes of your past Enemies might resurface but blurred through the lens of judgment And still the greatest challenge awaits not in the eyes of others but in the reflection of your own soul With every turn of the page you ll walk corridors where fate trembles where whispers of mercy clash with thunderous proclamations of justice The questions will press down on you Will redemption be yours Or has the sentence already been written Your afterlife is not passive it is a trial Every revelation pulls you deeper enticing you to confront unspoken fears urging you to step closer to the final verdict The suspense builds like a storm at the edge of eternity leaving you breathless haunted and compelled forward Because on Judgment Day there is no going back There is only the truth and the truth has been waiting for you     What Happens After We Die?
