Marriage laws are rapidly changing in the United States. The underlying public sentiment that has allowed for this, however, has evolved more gradually. While the Bible frequently compares the love of God for his people to marriage, our culture's redefinition of marriage presents a serious problem. If we redefine and redesign marriage, what will that do to people's ability to comprehend what the Bible says? Lee contends that it may undermine that very ability. He makes the case that the Bible speaks consistently on the main aspects of this subject. Churches appear to be divided right down the middle. Those churches that tend to drift with society must face the Biblical issues squarely. Those churches that confuse God's law and grace merely end up moralizing. He insists that the call of God's grace in Christ puts a burden on the believer to honor marriage as God designed it. Marriage is too important to dismiss the Bible's clear message with platitudes and politically motivated talk. On the one hand, Christians should not be surprised when the surrounding culture migrates away from God's standards. The Bible warns that this will happen. On the other hand, the church is called to share the truths of judgment and mercy in a respectful manner. This book is a call for all who name Jesus Christ as Savior to follow him more deeply into his inspired word in Scripture.

John William Lee, a Lutheran pastor, is a native of Washington State. He holds a Bachelor of Science degree in Music from the University of Puget Sound in Tacoma and a Master of Divinity degree from Luther Seminary, St. Paul, Minnesota. He has served parishes in Montana and Seattle and is currently serving in North Dakota. He is married and has two grown children and five grandchildren.

Marriages Carlos a Hernandez, 2021-04-19 If you feel alone and trapped like a prisoner in a loveless marriage this may be the most important book you ever read Here's why My name is Carlos Hernandez and I was on the brink of divorce five years ago My wife and I tried traditional counseling several times but it didn't work We felt like total failures because we did everything the counselor told us but it was hopeless We did find out that we were both withholding love from each other in our own ways My wife felt rejected because I treated her like she didn't even exist I felt that she always reminded me when I did something wrong but never acknowledged when I did something right Counseling was expensive and ineffective Divorce was the next logical step but then God stepped into our marriage in a big way Through a series of unexpected events and lots of hard work we slowly experienced healing in our marriage It took lots of time and effort but we intentionally made small changes that helped us fall in love again I never thought I could love my wife again We'd been through so much pain so I thought our marriage was totally hopeless We learned that nothing is impossible with God Through the healing process He revealed a miracle process for bringing freedom to marriages filled with pain and suffering This book documents our journey We understand if you are feeling rejected trapped in an unfair commitment unloved lonely and unappreciated in your marriage because we've been there We spent five years in marriage hell The good news is that God has used our mess to deliver an important message to you There is hope for your marriage In this book you'll learn how to Get the affection you need from your spouse without begging for it Bring back the passion and love you experienced in the honeymoon phase of your relationship Stop the constant fighting without ignoring the things about your spouse that drive you insane Restore your marriage even if your spouse doesn't seem interested in you Find out exactly what God says about your marriage without spending hours studying the Bible Forgive your spouse any disrespectful things they've done without losing your dignity Create positive change in your marriage without changing your spouse The process of repairing our marriage was long and hard because we didn't have a guide In our experience marriage counseling is both expensive and ineffective I'm sure there

are some excellent marriage counselors that can get results but the majority are glorified listeners Yes having someone listen to your problems is valuable but it will not help repair your marriage The alternative is finding a qualified pastor who can help you The problem is that most of the pastors who are qualified to help are very busy running the church The available pastors are usually very young and inexperienced We ve found that the church has the intentions to help but they don t have the resources We noticed this gap Christian couples desperately want help but they can t find the help they need We ve decided to stand in the gap and tell our story with the hopes it will help christian couples repair their marriage This book could be the start of a new beginning for your marriage Why not take a gamble on your future **From This Day Forward**
