Zimbabwe National Army 2014 Recruitment Schedule:

The Army and Politics in Zimbabwe Blessing-Miles Tendi, 2020-01-16 An essential biographical record of General Solomon Mujuru one of the most controversial figures within the history of African liberation politics **Military Operations in Response to Domestic Emergencies and Global Pandemics** Lindy Heinecken, Christian Leuprecht, 2025-07-24 This open access book provides a comparative analysis of the deployment of the military in domestic operations the use of the armed forces during the COVID 19 pandemic and the impact of that deployment on civil military relations in 26 countries worldwide The book examines the legal and constitutional regulations under which the military can serve in domestic roles and the extent of domestic deployment before the COVID 19 pandemic It focuses on the roles in which the military served during the pandemic the resources available and the readiness and effectiveness of the military response The volume addresses whether or not the pandemic response was securitized the extent of civilian oversight and control the accountability measures in place and the impact of the COVID 19 deployment on the military's image The volume captures the lessons learnt from the COVID 19 deployment and the implications for future force design structure and organizational transformation Since almost all countries used their military in some capacity to respond to the COVID 19 pandemic this volume offers an opportunity to compare use of the armed forces to provide domestic humanitarian assistance and disaster response *SADC Gender Protocol 2014 Barometer* Morna, Colleen Lowe, Dube, Sifiso, 2014-10-25 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance By the 2013 Heads of State summit 13 countries had signed and 12 countries had ratified the SADC Gender Protocol The Protocol is now in force With one year to go time is ticking to 2015 when governments need to have achieved 28 targets for the attainment of gender equality In keeping with the Alliance slogan Yes we must this 2014 Barometer provides a wealth of updated data against which progress will be measure by all those who cherish democracy in the region The world and SADC is also looking to the future with the post 2015 agenda Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 **Former Guerrillas in Mozambique** Nikkie Wiegink, 2020-03-06 A sensitive ethnography of former Mozambican National Resistance RENAMO combatants After sixteen years of civil war 1976 1992 between the Mozambican National Resistance RENAMO and the government of Mozambique over 90 000 former combatants were disarmed and demobilized by a United Nations led program Former combatants were to find their ways as civilians again assisted by community based reintegration rituals While the process was often presented as a success story of peace renewed armed conflict involving RENAMO combatants in 2013 and onward suggests that the reintegration of former guerrillas was a far more complex story In *Former Guerrillas in Mozambique* Nikkie Wiegink describes the trajectories of former RENAMO combatants in Maringue a rural district in central Mozambique Rather than focus on violence trauma and

the reacceptance of these ex combatants by the community Wiegink emphasizes the ways in which RENAMO veterans have navigated unstable and sometimes dangerous social and political environments during and after the war She examines the experiences of both male and female war veterans and their attempts at securing a tolerable life Based on fourteen months of fieldwork conducted long after the war ended Former Guerrillas in Mozambique offers a critique of a notion of reintegration that assumes that the lives of former combatants are shaped first by a break with society when joining the armed group and later by a break with the past when demobilizing and a return to a status quo Wiegink argues instead that former combatants motivations experiences and interactions are not necessarily characterized by a rigid separation from their RENAMO past but rather comprise a mixture of ruptures and continuities of relationships and networks including families the spiritual world fellow former combatants political parties and the state

Zimbabwe's Trajectory V. Masunungure, 2020-11-11 At Independence in 1980 Julius Nyerere called Zimbabwe the jewel of Africa and cautioned its new leaders not to tarnish it Tragically they paid no heed to Africa's esteemed elder statesmen Arguably and only if one ignores the carnage of Gukurahundi the first decade was a developmental one with resources being used prudently to benefit the formerly disadvantaged majority population However the 1990s witnessed a transition from a developmental to a predatory leadership which saw Zimbabwe cross the millennial line in crisis where it has remained ever since While many African countries have moved forward over the last three decades Zimbabwe has gone relentlessly backwards save for the four year interregnum of the tripartite coalition government 2009-2013 Virtually all development indicators point in the wrong direction and the crisis of poverty unemployment and the erosion of health education and other public goods continues unabated The imperatives of political survival and power politics supersede those of sound economics and public welfare Moreover unless good politics are conjoined with a sound people first policy the country will continue sliding downhill Zimbabwe's Trajectory tells the story of the country's post independence dynamics and its recent descent into becoming one of the three most unhappy countries in the world
