On Transits and Transitions Tristan Josephson, 2022-10-14 Celebrations of the transgender tipping point in the second decade of the twenty first century occurred at the same time of heightened debates and anxieties about immigration in the United States On Transits and Transitions explores what the increased visibility of trans people in the public sphere means for trans migrants and provides a counter narrative to the dominant discourse that the inclusion of transgender issues in law and policy represents the progression of legal equality for trans communities Focusing on the intersection of immigration and trans rights Josephson presents a careful and innovative examination of the processes by which the category of transgender is produced through and incorporated into the key areas of asylum law marriage and immigration law and immigration detention policies Using mobility as a critical lens On Transits and Transitions captures the insecurity and precarity created by U S immigration control and related processes of racialization to show how im mobility conditions citizenship and national belonging for trans migrants in the United States

Abolitionist Intimacies Eithne Luibhéid, 2025-04-18 In Abolitionist Intimacies Eithne Luibh id examines writings by and about queer and trans identified migrants and allies who contest pervasive US immigration practices and work toward a future without detention deportation and border controls Luibh id shows how these migrants and activists confront such controls by mobilizing intimacies forging close connections in order to survive in the present From forms of kinship beyond the heterosexual nuclear family to networks of solidarity intimacies allow queer and trans migrants and allies to challenge the infrastructures that support the deportation state proposed pathways to citizenship for undocumented migrants marriage as a means for legalization traffic interactions as a pipeline to deportation and queer and trans migrant detention In the process activists and theorists have advanced new visions and configurations of possible intimacies that not only challenge deportation but also rework what immigration control and citizenship could mean By focusing on these abolitionist efforts as well as the publicly available records on queer and trans deportees Luibh id highlights the new understandings that emerge when the experiences of queer and trans people are centered

Migration Christian Dustmann, 2015 This book addresses some of the many social challenges created by migration flows over the past decades The volume brings together research from three different fields economics sociology and political science

Beyond Deportation Shoba Sivaprasad Wadhia, 2017-05 The first book to comprehensively describe the history theory and application of prosecutorial discretion in immigration law When Beatles star John Lennon faced deportation from the U S in the 1970s his lawyer Leon Wildes made a groundbreaking argument He argued that Lennon should be granted nonpriority status pursuant to INS s now DHS s policy of prosecutorial discretion In U S immigration law the agency exercises prosecutorial discretion favorably when it refrains from enforcing the full scope of immigration law A

prosecutorial discretion grant is important to an agency seeking to focus its priorities on the truly dangerous in order to conserve resources and to bring compassion into immigration enforcement The Lennon case marked the first moment that the immigration agency's prosecutorial discretion policy became public knowledge Today the concept of prosecutorial discretion is more widely known in light of the Obama Administration's Deferred Action for Childhood Arrivals or DACA program a record number of deportations and a stalemate in Congress to move immigration reform Beyond Deportation is the first book to comprehensively describe the history theory and application of prosecutorial discretion in immigration law It provides a rich history of the role of prosecutorial discretion in the immigration system and unveils the powerful role it plays in protecting individuals from deportation and saving the government resources Shoba Sivaprasad Wadhia draws on her years of experience as an immigration attorney policy leader and law professor to advocate for a bolder standard on prosecutorial discretion greater mechanisms for accountability when such standards are ignored improved transparency about the cases involving prosecutorial discretion and recognition of deferred action in the law as a formal benefit

Family Law Reimagined Jill Elaine Hasday, 2014-06-30 This is the first book to explore the canonical narratives stories examples and ideas that legal decisionmakers invoke to explain family law and its governing principles Jill Elaine Hasday shows how this canon misdescribes the reality of family law misdirects attention away from actual problems family law confronts and misshapes policies

Conducting Psychological Assessments for U.S. Immigration Cases Robert S. Meyers, 2020-09-15 This book focuses on the psychologist's role in assessing immigration cases and serving as an expert witness in these situations It provides extensive background information on the history of immigration law in the U S and the legal precedents that establish professional qualifications for testifying in court covering a range of forensic evaluations including spousal abuse cognitive deficits and hardship consequences of deportation Additionally the book offers practical strategies for Writing a clinical report acceptable in court Preparing the required waivers for an accurate evaluation Qualifying as an expert witness Conducting Psychological Assessments for U S Immigration Cases is a useful guide for psychologists serving a critical role carrying out evaluations that determine an immigrant's status and future in the country

Official Reports of the Supreme Court United States. Supreme Court, 2014
