Vivre Parler Revelation Apr S Revelation:

Liturgy as Revelation Philip Caldwell, 2014-12-01 A critical issue in modern Catholic theology has been the relationship between the doctrine of revelation and the church's liturgical and sacramental practice. This volume argues that although in the twentieth century Catholic theology increasingly recognized the centrality of Christology particularly the person of Christ as the locus of revelation and drew out the crucial implications of Christ as the revelation of God it was slow to connect this revelatory dynamic with the encounter that occurs within the sacramental space of the liturgy most notably the Eucharist. Taking the decline of the neoscholastic enterprise in Catholic theology and the challenges posed by modernism as his point of departure Philip Caldwell traces the evolution of the Catholic theology of revelation in the twentieth century and the vital role played by the liturgical and sacramental renewal movements in reimagining this pivotal theological category. Examining the specific contributions of René Latourelle Avery Dulles Salvatore Marsilli and Gustave Martelet against a background of preconciliar ressourcement theology this volume provides a comprehensive account of why a Trinitarian and Christological construal of liturgy and sacraments as revelation is key to the vision that informed Vatican II and offers constructive theological and ecclesial possibilities for the future.

Après la mort : Révélation des mystères d'outre-tombe Léon Denis, 2022-08-16 O va donc l'homme dans sa course Au n'ant ou une lumière inconnue La nature souriante ternelle encadre de ses splendeurs les tristes débris des empires En elle rien ne meurt que pour renaître Des lois profondes un ordre immuable président ses évolutions L'homme avec ses œuvres est-il seul destin au n'ant l'oubli Un de ceux que vous aimez va mourir Penchez vers lui le cœur serré vous voyez s'étendre lentement sur ses traits l'ombre de l'au-delà Le foyer intérieur ne jette plus que de pâles et tremblantes lueurs le voile qui s'affaiblit encore puis s'efface Et maintenant tout ce qui en cet être attestait la vie cet il qui brillait cette bouche qui profrait des sons ces membres qui s'agitaient tout est voile silencieux inerte Sur cette couche funèbre il n'y a plus qu'un cadavre Quel homme ne s'est demandé l'explication de ce mystère et pendant la veille lugubre dans ce ténébreux solennel avec la mort a pu ne pas songer ce qui l'attend lui-même Ce problème nous intéresse tous car tous nous subissons la loi Il nous importe de savoir si cette heure tout est finie si la mort n'est qu'un morne repos dans l'anéantissement ou au contraire l'entrée dans une autre sphère de sensations Que se passe-t-il la mort et comment l'Esprit se dégage-t-il de sa prison de chair Quelles impressions quelles sensations l'attendent cet instant redouté C'est là ce que nous avons tous intérêt à connaître car tous nous ferons ce voyage La vie peut nous chapper dès demain nul de nous n'échappera la mort
