teaching to the so called Grammar Translation Method and the Direct or Oral Method However special attention is also given to minor trends such as Ecclecticism which constantly overlaps the mainstream trends This book is the first to take a close look at how the English language was taught and learnt in Spain for a two century period when the French language was the Spaniard s first choice when it came to learning a foreign language **Books in Print** ,1994 Library of Congress Catalog Library of Congress,1974 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955
