Once hailed as a Sage he sought peace not glory At the end of a long life steeped in power and prestige the man once celebrated as the Sage casts a reincarnation spell yearning only for a quiet existence in a future age But when he awakens in an era that dismisses magic as worthless he s branded a failure and abandoned in the Forest of Monsters as a newborn Left to die he s miraculously rescued by a kind hearted goblin who raises him as her own Given the name Beramus the former Sage grows up in a hidden monster village far from the human realm that cast him out Determined to repay the goblin who saved him Beramus channels the wisdom of his past life to help the village flourish and soon to rally every monster tribe under one banner The mightiest kingdom will rise not for humankind but for those they fear **Falco** Daryl

Periman, 2012-01-30 We humans fantasize about the ability to break the laws of physics yet there are creatures in the real world that appear to do just that The peregrine falcon is one such creature displaying power dives that seem to defy Newtons laws of motion The story of FALCO is like light Light sometimes behaves like a wave and sometimes behaves like a particle but is neither FALCO is sometimes a story about a falcon but its also a story about people the environment our fears and about how good and evil are sometimes not clearly defined What if you could get inside the mind of a young peregrine one that like most teenagers stands at the brink of self identity An animal loaded with killer instinct but yet insecure due to the fact that she did not grow up in the wild When faced with the freedom she inwardly longed for she finds the wilderness charm to be packaged with complexity terror and friendship Blurr is the falcon that will face the ultimate hunter of another world and may be the only one to save our own FALCO reads as if it were a movie I think that my science background my years of working with teens and skillful science fiction stories like X Files Jurassic Park and Independence Day influenced me greatly for this book Im sure those stories and more helped boost my hybridization of this adventure with its host of flawed but mostly well intentioned characters Be on the look out for FALCO II coming in the fall of 2015 **Bound, Vol. 1** Amy
