Voices From The Pagan Census Voices From The Pagan Census:

Voices from the Pagan Census Helen A. Berger, Evan A. Leach, Leigh S. Shaffer, 2003 Voices from the Pagan Census provides insight into the expanding but largely unstudied religious movement of Neo Paganism in the United States The authors present the findings of The Pagan Census which was created and distributed by Berger and Andras Corban Arthen of the Earthspirit Community Analysing the most comprehensive and largest scale survey of the Neo Pagans to date the authors offer a portrait of this emerging religious community including an examination of Neo Pagan political activism educational achievements family life worship methods experiences with the paranormal and beliefs about such issues as life after death

Contemporary Paganism Graham Harvey, 2011-02-07 An introduction to modern Paganism and its roots and history The Pagan tradition celebrates the physical nature of life on earth blending science with spiritual folklore Considering the everyday world of food health sex work and leisure to be sacred Pagans oppose that which threatens life such as deforestation overdevelopment and nuclear power and invoke ancient deities in this struggle for the well being of the earth and its inhabitants Contemporary Paganism presents a broad based introduction to the main trends of contemporary Paganism revealing the origins and practical aspects of Druidry Witchcraft Goddess Spirituality and Magic Shamanism and Geomancy among others Making use of both traditional history and the movement's more imaginative sources Harvey reveals how Paganism and its central focus on individual and social lives is evolving and how this new religion perceives and relates to more traditional ones This updated and expanded new edition addresses recent developments among Pagans and includes a new chapter assessing continuing scholarly research about the religion **Introduction to Pagan Studies**

Barbara Jane Davy, 2007 Pagan Studies is maturing and moving beyond the context of new religious movements to situate itself in within of the study of world religions Introduction to Pagan Studies is the first and only text designed to introduce the study of contemporary Paganism as a world religion It examines the intellectual religious and social spheres of Paganism through common categories in the study of religion which includes beliefs practices theology ritual history and role of texts and scriptures The text is accessible to readers of all backgrounds and religions and assumes no prior knowledge of Paganism This text will also serve as a general introduction to Pagan Studies for non specialist scholars of religion as well as be of interest to scholars in the related disciplines of Anthropology Sociology and Cultural Studies and to students taking courses in Religious Studies Pagan Studies Nature Religion New Religious Movements and Religion in America The book will also be useful to non academic practitioners of Paganism interested in current scholarship Solitary Pagans Helen A.

Berger, 2019-08-12 An exploration of the increasingly popular phenomenon of solitary practice within contemporary paganism Solitary Pagans is the first book to explore the growing phenomenon of contemporary Pagans who practice alone Although the majority of Pagans in the United States have abandoned the tradition of practicing in groups little is known about these individuals or their way of practice Helen A Berger fills that gap by building on a massive survey of

contemporary practitioners By examining the data Berger describes solitary practitioners demographically and explores their spiritual practices level of social engagement and political activities Contrasting the solitary Pagans with those who practice in groups and more generally with other non Pagan Americans she also compares contemporary U S Pagans with those in the United Kingdom Australia and Canada Berger brings to light the new face of contemporary paganism by analyzing those who learn about the religion from books or the Internet and conduct rituals alone in their gardens the woods or their homes Some observers believe this social isolation and political withdrawal has resulted in an increase in narcissism and a decline in morality while others argue to the contrary that it has produced a new form of social integration and political activity Berger posits the implications of her findings to reveal a better understanding of other metaphysical religions and those who shun traditional religious organizations

Military Chaplains and Religious Diversity Kim Philip Hansen, 2012-09-25 Based on extensive in depth interviews with more than thirty active duty chaplains regarding their successes failures and conflicts the book is about the way military chaplains handle religious diversity among the enlisted they serve and within their own corps

Pop Pagans Donna Weston, Andy Bennett, 2014-10-20 Paganism is rapidly becoming a religious creative and political force internationally It has found one of its most public expressions in popular music where it is voiced by singers and musicians across rock folk techno goth metal Celtic world and pop music With essays ranging across the US UK continental Europe Australia and Asia Pop Pagans assesses the histories genres performances and communities of pagan popular music Over time paganism became associated with the counter culture satanic and gothic culture rave and festival culture ecological consciousness and spirituality and new ageism Paganism has used music to express a powerful and even transgressive force in everyday life Pop Pagans examines the many artists and movements which have contributed to this growing phenomenon

Handbook of Contemporary Paganism Murphy Pizza, James R. Lewis, 2009 Contemporary Paganism is a movement that is still young and establishing its identity and place on the global religious landscape The members of the movement are simultaneously growing unifying and maintaining its characteristic diversity of traditions identities and rituals The modern Pagan movement has had a restless formation period but has also been the catalyst for some of the most innovative religious expressions praxis theologies and communities As Contemporary Paganism continues to grow and mature new angles of inquiry about it have emerged and are explored in this collection This examination and study of contemporary Paganism contributes new ways to observe and examine other religions where innovations paradoxes and inconsistencies can be more accurately documented and explained

Paganism, Traditionalism, Nationalism Kaarina Aitamurto, 2016-05-05 Rodnoverie was one of the first new religious movements to emerge following the collapse of the Soviet Union its development providing an important lens through which to view changes in post Soviet religious and political life Rodnovers view social and political issues as inseparably linked to their religiosity but do not reflect the liberal values dominant among Western Pagans Indeed among the conservative and nationalist movements often associated with

Rodnoverie in Russia traditional anti Western and anti Semitic rhetoric has recently been overshadowed by anti Islam and anti migrant tendencies Providing a fascinating overview of the history organisations adherents beliefs and practices of Rodnoverie this book presents several different narratives as a revival of the native Russian or Slavic religion as a nature religion and as an alternative to modern values and lifestyles Drawing upon primary sources documents and books this analysis is supplemented with extensive fieldwork carried out among Rodnoverie communities in Russia and will be of interest to scholars of post Soviet society new religious movements and contemporary Paganism in general *Wicca and Witchcraft For Dummies* Diane Smith,2011-05-09 Examines Wiccan magic rituals traditions and code of conduct Get the scoop on this ancient spiritual path Wondering what it takes to be a Wiccan This plain English guide introduces you to the vibrant world of Wicca and the practices of Witchcraft describing its ancient origins dispelling stereotypes and explaining Wiccan beliefs ethics rituals and holidays You ll see what it means to live as a contemporary Wiccan and how to worship alone or with a group Discover how to Worship alone or join a coven Perform charms blessings and spells Obtain necessary tools and supplies Spot spiritual scams and inappropriate behavior Explore a spiritual path guided by nature Eros and Touch from a Pagan Perspective Christine Hoff Kraemer,2013-10-23 Within the past twenty years contemporary Pagan leaders progressive Christian and Goddess theologians advocates for queer and BDSM communities and therapeutic bodyworkers have all begun to speak forcefully about the sacredness of the body and of touch Many assert that the erotic is a divinely transformative force both for personal development and for social change Although the erotic includes sexuality it is not limited to it access to connected nonsexual touch is as profound a need as that for sexual freedom and health In this book Christine Hoff Kraemer brings together an academic background in religious studies and theology with lived experience as a professional bodyworker and contemporary Pagan practitioner Arguing that the erotic is a powerful moral force that can ground a system of ethics Kraemer integrates approaches from queer theology therapeutic bodywork and sexual minority advocacy into a contemporary Pagan religious framework Addressing itself to liberal religious people of many faiths *Eros and Touch from a Pagan Perspective* approaches the right to pleasure as a social justice issue and proposes a sacramental practice of mindful consensual touch
