ministry pastoral abuse leaves in its wake thousands of wounded clergymen with ruined ministries broken relationships damaged health even shattered faith **The Wounded Minister Healing for Abused Clergy** written by a clinically trained pastoral counselor examines the reality of evil in churches and the ways in which pathological antagonists emotionally and spiritually batter pastors A deft mix of personal experience and in depth research this resource will help wounded men and women of all ministerial positions learn how to recover their broken hearts while rebuilding their lives And as preventative medicine it also provides guidelines on how spiritually sensitive Christians can develop a church structure that protects their pastors from this tragedy Both compassionate and proactive this book is an excellent resource for hurting pastors as well as lay leadership pursuing healthy church life **Leading Women Who Wound** Sue Edwards,Kelley Mathews,2009-02-01 As more churches add women s ministry programs there is a growing need to address the issues that naturally arise as women minister alongside one another and to one another Given the fallen nature of the human heart as well as the complexities of personalities conflict is an inevitable aspect of ministry How do women deal with emotions when other women are insensitive manipulative or just plain mean What does the Bible tell us To be equipped for conflict women must understand and master strategies specifically related to conflict with other women **Leading Women Who Wound** shows women how to effectively deal with conflict within their ministries Seasoned women s ministry leaders themselves Sue Edwards and Kelley Mathews walk through several different aspects of conflict resolution including self examination identification of potential sources of conflict tools for conflict resolution and insight on how to prevent and move beyond conflict to minister to those who have been sources of contention Recognizing that not all conflict results in a happy ending **Leading Women Who Wound** gives the tools necessary to minister effectively and move forward with integrity **Organic Disciples** Kevin G. Harney,Sherry Harney,2021-12-28 Could sharing your faith be the secret to developing your spiritual maturity For many followers of Jesus discipleship means doing certain things to deepen our connection with Jesus Christ But our spiritual growth checklists are often disconnected from the mission of reaching a lost world with the gospel message Taking a holistic approach that unites evangelism and discipleship Kevin and Sherry Harney demonstrate how God s plan for our spiritual growth is intimately connected to his mission to the world In **Organic Disciples** the couple lead ordinary followers of Jesus through seven markers of spiritual maturity showing how simple shifts in our Bible reading prayer community life giving service and other biblical practices can connect us with God s work of reaching people with his love You ll learn Why true spiritual maturity will always lead believers outward to engage the world with the good news and truth of Jesus How to overcome the common roadblocks and false narratives that stand in the way of spiritual maturity How to design a personal pathway of growth to be more like Jesus in character and mission Along with the **Organic Disciples** book churches and individuals can utilize a free self directed online tool at [OrganicOutreach.com](http://OrganicOutreach.com) to help each person identify where they are in their growth journey Also look for eight session small group curriculum **Organic Disciples Study Guide** 9780310139089 to take congregations and Christians deeper

Harney,Bob Bouwer,2011-06-01 You don t need to tell pastors that the majority of churches in America are in a state of stagnation or decline Most of them are ministering in such a church Now two pastors who turned their churches around show leaders how they can help usher in a new season of health faithfulness growth and vision in their churches The U Turn Church walks readers through the roadblocks of tradition lack of vision or leadership structural problems and concerns about denominational distinctives to forge a new way forward into a hope filled future Through the stories of two churches that have experienced healthy transformation readers will see that there is not just one right way to reverse decline They will receive practical help and wisdom born of experience as they begin their own U Turn journey     **Solving Church Education's Ten Toughest Problems** John R.
