Westward We Came A Norwegian Immigrants Story 1866 1898:

Westward We Came Harold Berg Kildahl, 2008 Norwegian Harold B Kildahl Sr sailed across the ocean to the New World in 1866 His memoir provides vivid descriptions of the Kildahl family s travels to southern Minnesota The family witnessed the infamous James Younger Gang bank raid in Northfield Minnesota in September 1876 and the founding of St Olaf College The annual floods of the Red River of the North ultimately lead the family to move to the Dakota Territory in 1883 In 1888 Harold B Kildahl Sr returned to Minnesota to seek an education During the next ten years he completed grade school and high school graduated from St Olaf College 1895 and the Lutheran Seminary in Minneapolis 1898 was ordained married and received a call to be a pastor in the Lutheran Faith **Norwegian American Women** Betty A. Bergland, Lori Ann Lahlum, 2011 Explores the vital role of women in the creation of Norwegian American communities from farm to factory and as caregivers educators and writers **Book Review Index - 2009 Cumulation** Dana Ferguson, 2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year [North Dakota History](#), 2008 Journal of the Northern Plains *Norwegian Immigration in the United States* George Flom, 2020-03-06 This classic text is a history of Norwegian Immigration to the United States in its very earliest years specifically up until 1850 History of Norwegian Immigration to America The Reasons for Norwegian Immigration to America Why did people want to leave Norway and why did they want to move to America The Norwegian immigrants of the colonial period joined the Dutch seeking profit opportunities for trade and a new life in America Many of the later immigrants of the early 1800 s sought religious freedom However the main reasons for the Norwegian Immigration to America in the mid 1800 s were disasters such as crop failures blights and poor harvests leading to poverty The agricultural revolution caused unemployment and the financial need to seek a better life and employment due to the industrialization of America History of Norwegian Immigration to America in the 1600 s Colonial America New Netherland During the Colonial era Norway were important diplomatic and trading allies of Holland The Norwegians supplied the Dutch with the timber needed to build their ships Due to these close alliances a number of immigrants from Norway came across in Dutch ships and settled among the Dutch in New Netherland during the Colonial period New Netherland covered areas of the Mid Atlantic States later known as New York New Jersey Connecticut Rhode Island and Delaware This was the first small and sporadic wave of Norwegian Immigration to America History of Norwegian Immigration to America in the 1800 s The Sloopers The history of Norwegian Immigration to America reached a significant point in 1825 when the Restauration ship sailed from Stavenger with over 50 Quakers and Haugean

reformists on board who wanted to leave the religious prosecution of the Lutheran state church in Norway The trip was well planned and Cleng Peerson who would later be called the Pioneer of Norse Emigration to America visited America in 1821 to prepare for their arrival The group was led by Lars Larsen Geilane and made the hazardous 14 week journey to America on the Restauration an undersized sailing sloop which earned the group the name of the Sloopers They landed in New York on October 9 1825 and were lauded for their bravery that many Americans saw as reminiscent of the Mayflower pilgrims The Norwegian migrants first settled in Kendall New York and in 1834 Cleng Peerson founded a second Norwegian settlement in the Fox River Valley of Illinois which was aptly called Norway Illinois History of Norwegian Immigration to America in the 1800 s The Potato Blight During the 1800 s potatoes were the most important crop in Norway The potato blight responsible for the Irish Potato Famine 1845 1849 spread to Norway causing famine hunger and disease It is estimated that 50 000 Norwegians died during this terrible time Emigration to America was a means of escape but the passage was expensive Some Norwegians obtained passage by signing contracts as indentured servants without pay up to 5 7 years in return for free passage By the end of the 1860s there were more than 40 000 Norwegians in the United States History of Norwegian Immigration to America in the 1800 s Major Wave of Norwegian Immigration After the American Civil War 1861 to 1865 yet another terrible famine hit the countries of Scandinavia and brought the first major wave of Norwegian immigrants in its wake The devastating Famine of 1866 1868 hit all the Scandinavian countries leaving potatoes and vegetables rotting in the fields of Norway Norwegian Immigration to America soared as 110 896 people were forced to leave Norway between 1866 and 1873 Much of this information obtained from the helpful website <http://www.emmigration.info/norwegian-immigration-to-america.htm> *A History of Norwegian Immigration to the United States from the Earliest Beginning Down to the Year 1848* George Tobias Flom, 1909 **Norwegian Immigrant Contributions to America's Making (Classic Reprint)** Harry Sundby-Hansen, 2018-02-06 Excerpt from Norwegian Immigrant Contributions to America's Making October 29 to November 12 1921 and is designed to serve an educational purpose The character achievements and contributions of the Norwegian ethnic element of the American people are we believe deserving of more general recognition This element does not constitute a problem in any sense It is now among the oldest of the immigrant groups of the early XIX Century The Norsemen discovered America nearly 500 years before Columbus landed on one of the West Indian Islands and the first attempt by Europeans to plant a colony on the North American continent was made by the Norseman Thorfinn Karlsefne Norwegians were here in Colonial times especially among the Dutch in New Amsterdam but also in the other colonies and they participated in the Revolutionary War on land and sea This year marks the 100th anniversary of the beginnings of modern Norwegian immigration on a large scale The 100th anniversary of the arrival of the sloop Restaurationen the first immigrant ship from Norway will be commemorated four years hence This group is therefore no longer an odd band of newcomers but a substantial part of the American people which by loyalty and demonstrated achievements in material and

cultural advancement has earned the right to be Americans The voluntary contributors of the several chapters have within the limited space and time allotted to them endeavored to show what some of these contributions are The shortcomings of this book are obvious It was prepared under pressure of speed and in the case of several of the contributors with no time for adequate research work It is hoped however that this modest effort in the treatment of an important subject will serve to stimulate an interest in the study of the material and intellectual part Norwegian immigrants and their descendants have played in the up building of America The field is rich for the scientific investigator the student of history the seeker after truth and it has hardly been touched If such a result follows About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
