Dictionary of Biblical Imagery Leland Ryken, James C. Wilhoit, Tremper Longman III, 2010-05-11 This reference work explores the images symbols motifs metaphors figures of speech and literary patterns found in the Bible With over 800 articles by over 100 expert contributors this is an inviting enlightening and indispensable companion to the reading study contemplation and enjoyment of the Bible *A Guide to Biblical Commentaries and Reference Works* John F. Evans, 2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years *The Baker Illustrated Guide to Everyday Life in Bible Times* John A. Beck, 2013-09-15 The authors of the Bible routinely employed mention of manners and customs from the ancient world in their inspired writing fully intending that the Lord would change readers with these images But modern readers often miss the full literal and figurative meaning of biblical imagery due to the distance in time and experience between the world of today and the world of the Bible This fully illustrated guide aims to restore clarity and vitality to these portions of God s Word in order to help readers grasp the full meaning of Scripture For example the entry on anointing defines the nature of this act and the connotations associated with it before illustrating how the biblical authors use the act of anointing in their communication with us communication that reaches its full maturity in Jesus the Anointed One Understanding manners and customs like anointing enriches our experience of reading the Bible and even helps us correctly interpret it This colorful guide clearly and succinctly introduces modern readers to daily life in Bible times The cultural practices of the past are fascinating on their own but even more so as they help us grasp the full meaning of Scripture *What We'll See in Heaven* John A. Beck, 2025-10-14 There are times when eternity presses in and we feel drawn to know more about the place we or our loved ones will be going when this life ends We don t want guesses or pious platitudes we want specifics We want certainty Heaven paradise the new heaven and new earth the new Jerusalem Whatever you call it and the Bible uses all those terms there has to be real solid information in the pages of Scripture that paints the full picture right In a word yes And What We ll See in Heaven was written to bring these biblical pictures of our heavenly home together in one book Drawing on his decades of teaching study and travel in the Holy Land John A Beck points us to the many Bible passages that unpack the realities of heaven using the things of this earth
