Smart Church Finances George M Hillman, Jr., John Reece, 2020-04-22 Written from years of ministry and business experience Smart Church Finances is built on a solid foundation of business principles but unlike many business books in a straightforward style that anyone can grasp You ll learn how to Communicate vision and strategize with a team Steward resources well yes including budgeting Prioritize goals wisely make decisions and evaluate outcomes based on vision and data Leverage the existing talents of men and women at your church many of whom don t fit in traditional ministry roles Back cover But Children Matter Kenneth G. Warren, John S. Knox, 2020-02-14 Often a disconnect

exists between the way pastors children s ministry volunteers and churches describe the health and impact of children s ministry volunteers and the overall functioning of an ongoing children s ministry The volunteer dysfunction that is evident in many churches goes beyond the building scenario or the current strategy that leadership is pursuing If one asks the pastor of just about any local church how the children s ministry is going most pastors will respond positively However if speaking with a children s ministry volunteer one is likely to hear I am burned out but I feel obligated to serve here because we have such a shortage of volunteers and I do love these kids Too often there is no program in place to monitor the health of the ministry Official training is lacking church vision is blurred and many children s ministry volunteers feel like they are nothing more than large group unpaid babysitters This book analyzes these problems and provides pragmatic systematic steps to a healthier more robust children s ministry      **Leadership in Christian Perspective** Justin A. and world Hybels makes a clarion call to move beyond volunteer retention to volunteer acquisition By attracting connecting training and sustaining volunteers churches will mobilize people into places of service that will bring new meaning to their lives and understand why God put them on planet Earth Hybels also outlines how we can build lifelong volunteers in the church through community celebration and commendation

Identifying, Training, & Mobilizing Volunteer Leaders Paul Kendall, 2019-04-30 It's the age old complaint We never have enough volunteers It's the 80/20 rule 20% of the people do 80% of the work It's the burn out syndrome He was doing everything and he just got burnt out The church has a history of difficulty when it comes to volunteerism I suffered the same for most of my thirty years in ministry until I became a pastor at a church of 1 700 congregants and was forced to come up with a solution for my department The end result is a department of 16 very strong ministries run on a small budget led by 31 directors and 126 leaders that minister to over 500 people per month All of which are volunteers If that were not good enough these volunteers show no sign of burning out or quitting They're actually energized and reproducing themselves The programs are continuing to grow and spread to the point that other churches are requesting our material What is the secret ingredient The short answer is simply this solid curriculum detailed training and mobilizing people to do the work of Christ It's a concept called discipleship Jesus came up with it a long time ago and it still works to this day Exactly how does that happen in our modern society The long and much more detailed answer is in the remainder of this booklet
