Beverly Hungry Wolf

The Ways Of My Grandmothers:

The Ways of My Grandmothers Beverly Hungry Wolf, 1998-10-21 A young Native American woman creates a hauntingly beautiful tribute to an age old way of life in this fascinating portrait of the women of the Blackfoot Indians A captivating tapestry of personal and tribal history legends and myths and the wisdom passed down through generations of women this extraordinary book is also a priceless record of the traditional skills and ways of an ancient culture that is vanishing all too fast Including many rare photographs *The Ways of My Grandmothers* is an authentic contribution to our knowledge and understanding of Native American lore and a classic that will speak to women everywhere *The Ways of My Grandmothers* Beverly Hungry Wolf, 1980 In this extraordinary book a young Indian woman records the ancient ways of the women of her tribe the Blood People of the Blackfoot nation *How Should I Read These?* Helen Hoy, 2001-01-01 Drawing on postcolonial feminist poststructuralist and First Nations theory Hoy raises and addresses questions around difference in relation to texts by contemporary Native women prose writers in Canada **Honor the Grandmothers** Sarah Penman, 2008-10-14 In this poignant collection of oral histories four Indian elders recount their life stories in their own quiet but uncompromising words Growing up and living in Minnesota and the Dakotas Stella Pretty Sounding Flute and Iola Columbus Dakota and Celane Not Help Him and Cecelia Hernandez Montgomery Lakota share recollections of early family life interrupted by years at government boarding schools designed to eradicate tribal culture Recounting their complex lives the grandmothers reveal how they survived difficult circumstances to become activists in Indian politics reconciling urban with reservation life and Christianity with native spirituality Particularly memorable is one grandmother's detailed family account of the tragic events and consequences of the Wounded Knee Massacre of 1890 Defying stereotypes these clear and forthright voices are unforgettable As the traditional teachers and bearers of culture the grandmothers also share their concern for future generations **Indigenous Ways of Knowing in Counseling** Lisa Grayshield, Ramon Del Castillo, 2020-06-22 Indigenous Counseling is based in universal principals truths that promote a way to think about how to live in the world and with one another that extends beyond the scope of Western European thought Individual health and wellness is intricately interwoven into the relationships that we establish on multiple levels in our lives those that we establish with ourselves with others and with the external environments with which we live From an Indigenous perspective health and wellness in our individual lives families community and world is the result of ancient knowledge that produces action in a way that is beneficial to all beings on the planet for generations to come The current social and political record of our country now clearly reveals the result of a paradigm that has outlived its time No longer can we ignore the core values of our fields of study we must take a deeper look into the academic endeavors that inform the way we pass our cultures values on to successive generations While it has taken Western Science decades to catch up to Indigenous Native Science we now have ample scientific evidence to support claims of interconnectedness on multiple levels of individual and collective health

Lacey and the African Grandmothers Sue Farrell Holler, 2009-10-01 Lacey Little Bird loves spending time with Kahasi an elder on her reserve who is like a grandmother to her From her Lacey is learning about their people the Siksika Blackfoot tribe of Alberta including the art of beadwork Lacey hears about a project to help grandmothers in Africa who are raising their grandchildren because their parents have died from AIDS Even though Africa is far far away Lacey wants to help and emails the grandmothers with a plan to raise money by selling beaded purses What difference can a young Blackfoot girl from North America make in the lives of grandmothers in Africa A lot as Lacey discovers Her decision to help will bring about amazing changes in her life and her community Lacey and the African Grandmothers is based on true events real people and the Stephen Lewis Foundation's Grandmothers to Grandmothers campaign *The Budget story books* Budget story books, 1894 **His Grandmothers** Helen Campbell, 1877 **The Oxford Handbook of Emerging Adulthood** Jeffrey Jensen Arnett, 2016 The Oxford Handbook of Emerging Adulthood is the first and only comprehensive compilation spanning the field of emerging adulthood *Grandmothers* Marguerite Guzman Bouvard, 1998-09 Celebrating the link between grandmother and granddaughter this collection of stories and vignettes a multi cultural anthology of women from diverse ethnic backgrounds reveals how the mantle of culture and family is passed from woman to woman *Pacific Poultryman*, 1925 **Social Work Theory and Ethics** Dorothee Hölscher, Richard Hugman, Donna McAuliffe, 2023-03-17 This reference work addresses the ideas that shape social work Much of the social work literature addresses questions of theory and ethics separately so that the body of thought that is represented in social work scholarship and research creates a distinction between them However the differences between these categories of thought can be somewhat arbitrary This volume goes beyond this simple separation of categories Although it recognises that questions of theory and ethics may be addressed distinctly the connections between them can be made evident and drawn out by analysing them alongside each other Social work's use and development of theory can be understood in two complementary ways First theory from the social sciences and other disciplines can be applied for social work second considered systematic examinations of practice have enabled theory to be developed out of social work These different approaches are usually referred to as theory for practice and practice theory The advancement of social work theory occurs often through the interplay between these two dimensions through research and scholarship in the field Similarly social work ethics draw on principles and concepts that have their roots in philosophical inquiry and also involve applied analysis in the particular issues with which social workers engage and their practices in doing so In this way social work contributes to wider debates through advancement of its own perspectives and knowledge gained through practice Social Work Theory and Ethics Ideas in Practice offers a unique approach by bringing together the complementary dimensions of theory with each other and at the same time with ethical research and scholarship It presents an analysis of the ideas of social work in a way that enables connections between them to be identified and explored This reference is essential reading for social work practitioners researchers policy makers academics

and students as well as an invaluable resource for universities research institutes government ministries and departments major non governmental organisations and professional associations of social work **Christian Register and Boston Observer** ,1928 *The Delineator* R. S. O'Loughlin,H. F. Montgomery,Charles Dwyer,1920 *The Penalty* Harold Begbie,1907 The Anamosa Prison Press ,1906 **Woman's World** ,1927 The Christian Advocate ,1905 **Home and Flowers** ,1901 **Tales of the North American Indians** Stith Thompson,1929 For other editions see Author Catalog
