The Word In This World Two Sermons:

The Word in this World Karl Barth, 2007 This volume contains two sermons by the early twentieth century theologian and pastor Karl Barth The first sermon given upon the sinking of the Titanic in 1912 appears in print here for the first time ever The second sermon given in 1934 during Nazi ascendancy appears for the first time in English translation With a substantial introduction by Bishop William H Willimon this volume is an indispensable resource not only for Barth scholars but also for anyone concerned with the presence of the Word in this world **American Theological Inquiry, Volume Two, Issue One** Gannon Murphy, 2009-01-15 American Theological Inquiry ATI was formed in 2007 by Drs S Gannon Murphy PhD St David s College Univ Wales Theology Presbyterian Reformed and Stephen Patrick PhD Univ Illinois Philosophy Eastern Orthodox to open up space for diverse Christian academicians who affirm the Ecumenical Creeds to share research throughout the broader Christian scholarly community in America ATI reaches thousands of Christian scholars throughout the United States particularly specialists in theology Though ATI is a new journal scholars who publish with ATI benefit from exposure to a vast non insular network of one of the broadest Christian academic communities possible The Word in this World Karl Barth, 2019-01-30 An important feature of this booklet is the inclusion of two contrasting sermons by Barth the monster of a full scale Titanic sermon of 1912 and the sermon of Christ s walking on the lake of 1934 In different ways these dealt with disasters the unfortunate disaster of 1912 and the far more serious disaster of rising Hitlerism in 1934 How did it come about that the approaches were so very different A simple answer lies in Barth s threefold development of the doctrine of God s word The 1912 sermon fails by all these standards The 1934 sermon passes and proves to be a more powerful response to the current situation Geoffrey W Bromiley translator of Church Dogmatics and author of An Introduction to the Theology of Karl Barth Karl Barth s two sermons dramatically reflect his preaching in two distinct phases In each he is seeking a word to proclaim to the congregation but in dramatically different ways These sermons with Bishop Willimon s fine introduction clearly show the preacher Barth was and the preacher Barth became while also directly challenging the contemporary church always to listen to God s Word to trust and to obey Donald K McKim Editor How Karl Barth Changed My Mind The mighty Karl Barth still speaks in our postmodern world His preaching once was one of the great voices in the context of the rise of Hitler s rise to power in Germany His voice is still audible along with those of Martin Niemuller Helmut Thielicke and Dietrich Bonhoeffer These great preachers are examples of Germany s biblically grounded Reformation preaching James D Strauss Professor Emeritus of Theology and Philosophy Lincoln Christian Seminary Lincoln Illinois The sermon from Bremen reminds me how I as a boy experienced the last sermons of my grandfather in the Basel prison line by line he brought the biblical text anew to speech to life in speech Listen whoever wants to preach in this way must at the same time stand just as awake and engaged in current events as this comes to expression in the Titanic sermon In this way the two sermons make a suspenseful pair maybe even a dialectic pair Dieter Zellweger President of the Karl Barth

Legacy Commission and Karl Barth's grandson Kurt I Johanson is Pastor at Pleasant Grove Church in Dallas Texas and formerly adjunct lecturer in Homiletics at Dallas Christian College **John Foxe and his World** Christopher Highley, John N. King, 2017-07-05 Interest in John Foxe and his hugely influential text *Acts and Monuments* is particularly vibrant at present This volume the third to arise from a series of international colloquia on Foxe collects essays by established and up and coming scholars It broadly embraces five major areas of early modern studies Roman Catholicism women and gender visual culture the history of the book and historiography Patrick Collinson provides an entire overview of the field of Foxe studies and further essays place Foxe and his work within the context of their times *The Literary World* ,1875 **The Two Wills of God** Dr. C. Matthew McMahon, 2005-07-05 Through the centuries hard questions have been deliberated concerning God's will Understanding God's will and how it theologically functions in relationship to man's salvation can be a daunting task Answering some of those questions from the Scriptures brings clarity and helps us understand the glorious God that we serve Have you ever wondered Does God love only the elect If God does not desire the wicked to perish is God's will frustrated when the sinner goes his own way Why is God seen as repenting or sad and even changing His mind What is common grace and is it really found in the Bible Does God desire things He does not decree and does He decree things He does not desire How many wills does God have This book gives the Christian the proper hermeneutical tools to define God's will and how that will works in and through redemptive history It also aids the reader to distinguish between the two systems of Arminianism and Calvinism and demonstrates why Arminianism and Hyper Calvinism are biblically inconsistent
