The Winter Foundlings A Novel Alice Quentin Series:

The Winter Foundlings Kate Rhodes, 2024-08-06 Psychologist Alice Quentin has been looking forward to a break from her hectic London life. She has vowed to stay clear of police work. The previous cases she helped the police with have left her scarred. So when Alice is given the rare opportunity to study treatment methods at Northwood high security hospital outside of London, she is eager to get to work. But then a young girl is discovered dressed all in white on the steps of the Foundling Museum. Four girls have recently gone missing in North London; this is the third to be found dead. The fourth may still be alive, and Alice Quentin may be able to help. Britain's most prolific child killer, Louis Kinsella, has been locked up in Northwood for over a decade. Yet these recent kidnappings and murders are clearly connected to Kinsella's earlier crimes. It seems that someone is continuing where he left off. So when Detective Don Burns comes asking for Alice's help, how can she refuse? Alice will do anything to help save a child, even if that means forming a relationship with a charismatic, ruthless murderer. But Kinsella is slow to give away his secrets, and time is running out for the latest kidnap victim, who is simply trying to survive. In her quest to save a life, Alice finds she has put her own life on the line. *The Winter Foundling* is Kate Rhodes's exciting thriller featuring Alice Quentin following *Crossbones Yard* and *A Killing of Angels*. *The Alice Quentin Collection 1-3* Kate Rhodes, 2016-01-07

Meet Alice Quentin, a forensic psychologist who'll do anything to crack a case, even if it means putting herself in danger. In this collection of three gripping novels: *CROSSBONES YARD*, the discovery of a body in a former graveyard pulls Alice Quentin into a terrifying copycat serial killing case; *A KILLING OF ANGELS*, someone is taking revenge on members of the Angel Bank, but why? Only Alice can find out. *THE WINTER FOUNDLINGS*, a ten-year-old girl is kidnapped in a homage to notorious child killer Louis Kinsella. Alice must confront him to find out what he knows before Ella's time runs out.

River of Souls Kate Rhodes, 2016-05-05 Jude Shelley, the daughter of a prominent cabinet minister, was assaulted and left for dead in the River Thames. Her attacker was never caught. A year later, forensic psychologist Alice Quentin is asked to re-examine the case. Then another body is found: an elderly priest washed up at Westminster Pier. An ancient glass bead is tied to his wrist. Alice is certain that the Shelleys are hiding something and that there will be more victims unless she can persuade them to share what they know. The Thames has always been a site of violent sacrifice. And Alice is about to learn that some people still believe in its power.

Blood Symmetry Kate Rhodes, 2024-01-17 Alice is a vividly realized protagonist whose complex and harrowing history rivals the central crime storyline. New York Times bestselling author Sophie Hannah Clare Riordan and her son Mikey are abducted from Clapham Common early one morning. Hours later, the boy is found wandering disorientated. Soon after, a container of Clare's blood is left on a doorstep in the heart of London. Psychologist Alice Quentin is brought in to help the traumatized child uncover his memories with the hope that it might lead the authorities to his mother's captors. But Alice swiftly realizes Clare is not the first victim, nor will she be the last. The killers are desperate for revenge, and in the end, it will all come down to blood.
