Cat Tales, Kitty Capers And More LaVera Edick, 2018-06-30 *Cat Tales Kitty Capers and More* is a charming and heartwarming collection of stories artwork and personal reflections on pets and the positive effects they have on people's lives The first part of the book contains illustrations by the author and journal entries from a senior citizen named Ruth Ruth chronicles the arrival of her diverse family of cats that she adopted or did they adopt her It all began when a half starved stray cat came to Ruth's door Against her better judgment she fed the cat and fell in love with not a he but a very pregnant she whom she named Lady Lady disappeared for a few days returning with a tiny grey kitten which she dropped at Ruth's feet A week later she brought four more kittens one day at a time In Ruth's words She must have been testing me to see if I would take good care of her first baby before she trusted me with the rest of her family The second section *Kitty Capers and More* starts with the many positive effects that pets have on a person's health both mental and physiological The author includes compelling statistics such as pet ownership boosting oxytocin and lowering cortisol which can reduce stress and ease pain Love is the most important health attribute we have and pets are one of nature's best sources of love Edick finishes with accounts of her own pets and those of her family and her friends accompanied by artwork and photographs that tell the story of how pets have played an important role in her life the lives of her children grandchildren great and great great grandchildren Not just about cats the book shares stories of special dogs horses and even a pig named Leadbelly

Corfu; Cat Tales under Lockdown - a diary Lynne Sayer, 2022-10-01 A cancelled flight opened a new chapter in Lynne's life Along with her husband she was stranded on the beautiful island of Corfu Greece For the first time in her 75 years this wife and grandmother of 10 had time to herself This was a unique period in Lynne's life and a dramatic time in the history of the world Covid19 was dislocating and destroying the lives of so many people Against the backdrop of the pandemic Lynne was able to draw positivity and simple pleasures from her beautiful surroundings and most importantly of all derive great joy and delight from the local cat population A review of the book from Dr Lee Durrell This book is about cats of course enchanting and extraordinary creatures that they are each with its own loveable character and temperament It is also about the magic of Corfu its profusion of spring wildflowers melodies of sheep bells and centuries old traditions But there is much more going on here Lynne Sayer's diary ranges from current global events to deeply personal ones We hear about covid Brexit and threats to American democracy as well as the doings of her children and grandchildren in lockdown England This is well worth a read as a chronicle of our times and for cat lovers everywhere The modest purchase price goes towards improving the lives of stray cats and kittens in Lynne's region of Corfu The book ends with a heartfelt appeal to contribute to the work of Kassiope Cats Meow which is the
