HERE IS WHAT READERS ARE SAYING ABOUT THIS FANTASY TALE The plot was very interesting and quite different to previous things I ve read There were some surprises along the way but there was also some guessable turns however it was still a lot of fun I felt that there was a good story line underneath everything and it turned out really well in the end because everything else characters pace writing style etc worked well together creating a great story Eileen was able to deliver the perfect amount of tension and carry out the scenes very well This showed just how much of a great writer she was and created contrast within the story This book combined many different elements but Eileen combined them in a successful manner that really made it both easy and fun to read and understand DARK ESCAPE begins the story of
