Tourism And Poverty Reduction Principles And Impacts In Developing Countries:

Tourism and Poverty Reduction Anna Spenceley, Dorothea Meyer, 2017-10-02 Over the past decade there have been an increasing number of publications that have analysed and critiqued the potential of tourism to be a mechanism for poverty reduction in less economically developed countries LEDCs This book showcases work by established and emerging researchers that provides new thinking and tests previously made assumptions providing an essential guide for students practitioners and academics This book advances our understanding of the changes and ways forward in the field of sustainable tourism development Five main themes are illustrated throughout the book 1 measuring impacts of tourism on poverty 2 the need to evaluate whether interventions that aim to reduce poverty are effective 3 how unbalanced power relations and weak governance can undermine efforts 4 the importance of the private sector s use of pro poor business practices and 5 the value of using multidisciplinary and multi method research approaches Furthermore the book shows that academic research findings can be used practically in destinations and how practitioners can benefit from sharing their experiences with academic scholars This book was based on a special issue and various articles from the Journal of Sustainable Tourism

Poverty Reduction for Inclusive Sustainable Growth in Developing Asia Farhad Taghizadeh-Hesary, Nisit Panthamit, Naoyuki Yoshino, 2021-05-15 This book provides practical policy recommendations that are useful for developing Asia and for accelerating poverty reduction plans in the rest of the world Poverty reduction in all its forms remains one of the greatest challenges facing humanity In developing Asia rapid growth in countries and sub regions such as China India and Southeast Asia has lifted millions out of poverty but progress has been uneven On the other hand the current coronavirus COVID 19 pandemic and the global economic recession that it has caused are pushing millions of people back into poverty Poverty reduction inclusive growth and sustainable development are inseparable and poverty reduction is the premise for sustainable development The Sustainable Development Goals SDGs are a bold commitment to finish what we started and end poverty in all forms and dimensions by 2030 However because of the current global recession the world is not on track to end poverty by 2030 Given the aforementioned situation if we plan to achieve the no poverty target in line with the SDGs governments need to reconsider their policies and economies need to allocate their resources for this aim Owing to the importance of the topic this book provides several thematic and empirical studies on the roles of small and medium sized enterprises local businesses and trusts international remittances and microfinance energy security and energy efficiency in poverty reduction and inclusive growth
