

WORLD CIV II: Midterm Study Guide

Spring 2025

The Midterm Exam will consist of twenty-five multiple choice questions and two Essay-ID questions. The multiple-choice questions are worth 2 points each and make up 50% of your grade on the midterm exam. They are designed to test your historical literacy, aka what you have been learning in class. Essay ID questions use a three-paragraph format (we will go over this in class the week of the exam), but you should follow the following format: Each of your answers should have three paragraphs. In the first paragraph, you should explain who/what the first term is, when this item was important (give dates), and where it took place. In the second paragraph, you should explain who/what the second term is, when this item was important, and where it took place. In the third paragraph, you should discuss how the two terms are related and why they are significant to World history. Each essay ID is worth 25 points.
