Earth Frequency Melissa Alvarez, 2025-08-05 Connect with Spiritual Energy in the Natural World Deepen your connection to the world around you, expand your consciousness and grow spiritually by actively engaging with the earth's energy. This groundbreaking book presents the various forms of earth frequency and how working with this energy leads to amazing improvements in your happiness, self-confidence, and spirituality. Melissa Alvarez becomes your personal tour guide to 250 power places and sacred sites all over the world, from Antelope Canyon in Arizona to Mount Olympus in Greece. Earth Frequency lets you explore many unique and interesting locations that are overflowing with the positivity of the planet's energy. You'll also discover visualizations and exercises designed to increase your intuition and open you to the dynamic power of a place. Featuring nine maps and location keys for major geographical areas, as well as detailed information on the earth's chakra system, this book will broaden your horizons and transform your nature-based practice.

The World's Most Romantic Destinations Abbie Kozolchyk, National Geographic, 2017 National Geographic reveals gloriously romantic vacations. Whatever kind of getaway you are planning—wedding anniversary, Valentine's Day, or other amorous special occasions—you'll find secluded beaches, exotic jungles, and luxurious spas that offer the perfect passionate escape. The book includes recommendations for hotel rooms with the best sunset views, restaurants with a flair for romance, and ideas to add a special touch to your trip.

Adventure Tourism and Outdoor Activities Management Ian Jenkins, 2019-02-04 An essential resource for those wishing to understand the key factors behind the operation of an adventure tourism company and how to be able to deliver a profitable, as well as a sustainable, product. It discusses important factors such as how the use of technologies and the current importance of environmental impacts and climate change are areas that are key to adventure tourism firms. To remain profitable, companies need to address these issues along with the important elements of risk and safety. Created from the author's experience in delivering adventure tourism courses over the last 20 years, this long-awaited book is aimed at both university courses on adventure tourism and outdoor recreation, as well as those working within the industry.
