THE VISUAL SQUASH

By

JESS MARION AND SHAWN CARSON

The Visual Squash An Nlp Tool For Radical Change Nlp Mastery Book

Lindsey Agness

The Visual Squash An Nlp Tool For Radical Change Nlp Mastery Book :

The Visual Squash Jess Marion, Shawn Carson, Melissa Tiers, 2014-03-17 The Visual Squash is the premier negotiation strategy. It is a powerful technique that allows individuals and groups to move beyond either/or dilemmas and generate new ways of meeting personal and group goals. It also helps coaching clients to resolve parts conflicts and secondary gain issues. This book presents the traditional Visual Squash in a detailed, easy-to-follow manner so you can begin using it immediately. It also illustrates variations including the Conversational and Deep Trance squashes. Finally, you will discover how to apply this powerful pattern in your business and personal life. This book dives deep into one of my favorite NLP patterns. I teach this process in my classes because it encapsulates many of the most important principles behind good change work. Knowing the authors as I do, I expected a well-thought-out and presented overview and breakdown of the visual squash and all its variations. This book exceeded those expectations in so many ways and on so many levels. Yes, they deliver the most comprehensive treatment of this pattern that I've ever read and believe has ever been written. But even better, they use this platform to cover the most crucial elements of lasting generative change that goes way beyond the pattern and into the very nature of change itself. In this book, you will learn a complex system that aligns all levels of experience from the behavioral up to identity, covering and uncovering the values, beliefs, and unconscious motivations behind the problems and more importantly, the solutions. Shawn and Jess make sure to give you many different ways of adapting this process to fit any client in any context. From a purely conversational approach, more appropriate for a business coach, to a deep trance variation, perfect for a hypnosis session, you are guaranteed to find useful ways of implementing these ideas. The authors also cover some key linguistic concepts from temporal and spatial predicates to the whys and hows of addressing nominalizations. This is learning that changes every aspect of the therapeutic coaching interaction by teaching multi-level communication that speaks directly to the unconscious mind. And this, in my opinion, changes everything. Melissa Tiers **30 Days to NLP Mastery** Ramit Gupta, 2020-01-07 Rewire Your Brain in Just 30 Days And Think How You Want To Think. Stop falling into disempowering patterns of thinking that you don't enjoy. Arm yourself today with this 30-day guide for Neuro-Linguistic Programming and Mind Control. Imagine what it would be like to really control how you think to wake up every day in a state of mind that you chose, not one that the world chose for you. To wake up knowing that you're not only able to choose your own state of mind but you can influence the mindset of those around you with laser-like precision. What would you use that power for? It's time to find out. From the best-selling authors of NLP Master's Handbook and the Deep Sleep Hypnosis audiobook series comes a brand new comprehensive and easy-to-read 30-day guidebook that will take you from NLP beginner to pro in just one month. With this book, you'll be able to see the infinite possibilities this scientifically proven technique has to offer for influencing both your own mind and the world around you. Covering everything from the beginning stages of language absorption to advanced NLP tactics such as anchoring and reframing conversations, whether you're a complete beginner or a

seasoned pro you're guaranteed to find a wealth of vital information inside this insightful book. The Life Transforming Power of NLP Samson Loyall & Edward Smith, 2024-09-09. This book focuses on Neuro Linguistic Programming (NLP) as a practical tool for personal growth and success. NLP is based on the premise that our thoughts, language, and behaviors are interconnected and that by altering one, we can positively transform the others. Core Ideas in the Book: What is NLP? NLP is a psychological approach that involves analyzing and modifying thought patterns and behaviors to achieve personal and professional goals. The term was coined by

Richard Bandler and John Grinder in the 1970s Key Components of NLP Modeling Excellence Observing successful individuals and replicating their strategies Anchoring Associating positive emotions or states with specific triggers Reframing Changing the way we perceive problems to find solutions Transforming Beliefs Identifying and replacing limiting beliefs with empowering ones Examples include shifting from I can't do this to I can learn to do this Communication Mastery Learning how language influences thought and behavior Techniques for building rapport influencing others and improving interpersonal relationships Applications of NLP Personal Growth Overcoming fears building confidence and achieving goals Professional Success Improving leadership negotiation and communication skills Therapeutic Use Managing stress breaking bad habits and resolving inner conflicts Transformative Power The book likely highlights how NLP can bring lasting change by helping individuals take control of their lives through deliberate and constructive changes in mindset and behavior
