Leo V. Kanawada Jr.,2010-11-18 Book One SOULS OF THE JUST The Holocaust in Rome Italy during World War II In his Map Room in the bowels of the basement of the White House President Roosevelt meets surreptitiously in the early days of 1942 with a coterie of his close friends and associates both Christians and Jews All are intent on formulating and launching a comprehensive series of actions to save and rescue and preserve the Jews in Europe Dubbed The WEJ they sit dumbfounded as smuggled report after report from inside Nazi controlled Europe is placed in front of them Each report details the horrors being inflicted upon European Jewry by Adolf Hitlers minions The members marvel at the heroic escapades of an anti Nazi Berlin businessman who risks his life on numerous occasions to bring these reports to neutral Switzerland To authenticate these reports Roosevelt enlarges the WEJ throughout Europe and initiates contacts with anti German government leaders

with members of the Jewish underground and particularly with Pope Pius XII and the Vatican It s not until Roosevelt sends America s first ambassador to the Holy See that he learns of how Pius and the Vatican are thoroughly involved and committed to saving the Jews in Rome itself and in Italy and how Pius agrees with Roosevelt and the WEJ to continue throughout the war and throughout all of Europe to not sit idly by while their brothers in the Jewish faith are in danger Before and after the SS is ordered into Rome by Hitler in October of 1943 to round up the Jews Pius and the Italian government and Roosevelt and the WEJ collaborate and secretly conspire along with the German ambassador to shelter the Jews and save them from complete and utter annihilation Leo V Kanawada Jr **Operation "Valkyrie"** Winfried Heinemann,2021-11-08 20 July 1944 is usually associated with the bomb plot to murder Hitler However what distinguishes Colonel Stauffenberg s plan from all others is that the attempt on the F hrer s life was only to be the initial stage of a full military coup d tat The aim was to overthrow the murderous regime and to end the war as soon as possible The conspiracy has long been analyzed from political social religious or moral points of view This book asks what the military dimension of the plan was What traditions in the German army were at work how was planning and preparation done and why did the plot fail eventually What is more how did the conspiracy affect the German armies created in East and West after World War II and also the Austrian Army As the politicians among the conspirators thought in categories of Imperial Germany or at least the Weimar Republic the officers among them were conditioned by the Reichswehr Yet Stauffenberg and some others were also bright intellectuals who were willing to incorporate their war experience into their plans rendering them surprisingly modern at times The coup d tat had been planned as meticulously as circumstances in war torn Berlin allowed However as most officers had foreseen once it became public knowledge that Hitler had survived Stauffenberg s bomb army units refused to act The myth surrounding the F hrer effectively prevented any military action against him Still the failed uprising had its effects the regime took the opportunity to tilt the balance of power further in favor of Himmler and his fiefdom SS Gestapo Police to the detriment of the army which Hitler felt was too reactionary anyway The leadership of the West German Bundeswehr always saw the failed uprising as part of its tradition but it took time for this attitude to percolate down to the rank and file For decades some of the former Wehrmacht soldiers viewed Stauffenberg and his friends as traitors The book is the first to approach this important event in German history from a specifically military point of view and that results in some surprising new results **Healthcare Transformation with Informatics and Artificial Intelligence** Emmanouil
