IN THE 1820S JOHN J HAMMOND,2011-07-27 This is Volume II of an epic multi volume work entitled The Quest for the New Jerusalem A Mormon Generational Saga which combines family Mormon and American history focusing upon how the author s ancestors were affected by their conversion to the Mormon religion In Volume I four of the author s ancestral families the Carters Hammonds Knowltons and Spencer s and the ancestors of Mormon Church founders Joseph Smith and Brigham Young are followed from the time they enter the Massachusetts Bay Colony in New England in the 1600s down to the early 1800s Their private lives are described as well as how they are affected by such events and situations as King Philip s War the Salem Witch Trials the institution of black slavery the French and Indian War and the American Revolution Toward the end of Volume I the focus is upon Joseph Smith and his family including their move from Vermont to western New York their religious and magic world views the latter involving astrology ritual magic and treasure seer and treasure digging activities Volume II takes up the narrative at about the year 1820 and involves a detailed comprehensive and critical look at the events in the life of Joseph Smith Jr during the decade in which he purportedly was visited by numerous heavenly messengers received the golden plates translated the writing on the plates to produce the Book of Mormon received priesthood authority from other heavenly messengers published the Book of Mormon and organized the Mormon LDS Church Making use of the most recent historical research the author tackles the controversial issues surrounding the First Vision the supposed appearance to Joseph Jr of God the Father and his Son Jesus Christ in 1820 the Second Vision 1823 to 1827 which produced the Book of Mormon and the Third Vision late 1820s or early 1830s which involved the restoration of priesthood authority The author looks at original sources documents and also compares the perspectives of major loyal Mormon non Mormon and

ex Mormon scholars on these controversial questions There is a discussion of the serious lack of congruence between how Joseph Smith Jr described these events officially after 1837 and what was being said by the Smith family their neighbors early Mormon converts and by newspaper accounts during the 1820s and early 1830s There is for example no mention of a First Vision for at least twelve years after it supposedly occurred and there are several conflicting versions of it by Joseph Jr in the 1830s once he started talking about it Primary focus however is upon what the author collectively calls the Second Vision which purportedly involved multiple visitations by an angel spirit between 1823 and 1827 It was from this heavenly messenger that Joseph Jr obtained golden plates and the Book of Mormon was he maintained a translation by him of the ancient American writings on these plates There is a thorough examination of the complex and contentious issues surrounding the origin of the Book of Mormon and several chapters look closely at the evidence regarding its authenticity the question whether it was written by Joseph Jr or by ancient American prophets scribes The author also thoroughly discusses the testimony in the Book of Mormon of the Three Witnesses and Eight Witnesses and offers an alternative narrative regarding what really transpired with Joseph Jr during the 1820s Later in Volume II several chapters look at how Mormon Church organization went through a significant evolution during its earliest years moving against the American democratic grain toward an increasingly centralized authoritarian structure There is a detailed look at Joseph Jr s claims regarding a restoration of priesthood authority during the late 1820s and early 1830s and the considerable controversy

Stuckenbruck,Daniel M. Gurtner,2019-12-26 The T T Clark Encyclopedia of Second Temple Judaism provides a comprehensive reference resource of over 600 scholarly articles aimed at scholars and students interested in Judaism of the Second Temple Period The two volume work is split into four parts Part One offers a prolegomenon for the contemporary study and appreciation of Second Temple Judaism locating the discipline in relation to other relevant fields such as Hebrew Bible Rabbinics Christian Origins Beginning with a discussion of terminology the discussion suggests ways the Second Temple period may be described and concludes by noting areas of study that challenge our perception of ancient Judaism Part Two presents an overview of respective contexts of the discipline set within the broad framework of historical chronology corresponding to a set of full colour custom designed maps With distinct attention to primary sources the author traces the development of historical social political and religious developments from the time period following the exile in the late 6th century B C E through to the end of the Bar Kokhba revolt 135 C E Part Three focuses specifically on a wide selection of primary source literature of Second Temple Judaism summarizing the content of key texts and examining their

similarities and differences with other texts of the period Essays here include a brief introduction to the work and a summary of its contents as well as examination of critical issues such as date provenance location language s and interpretative matters The early reception history of texts is also considered and followed by a bibliography specific to that essay Numerous high resolution manuscript images are utilized to illustrate distinct features of the texts Part Four addresses topics relevant to the Second Temple Period such as places practices historical figures concepts and subjects of scholarly discussion These are often supplemented by images maps drawings or diagrams some of which appear here for the first time Copiously illustrated carefully researched and meticulously referenced this resource provides a reliable up to date and complete guide for those studying early Judaism in its literary and historical settings *A Dream of Ice* Gillian Anderson,Jeff Rovin,2016-09-13 From Gillian Anderson acclaimed actress and X Files star and New York Times bestselling coauthor Jeff Rovin comes the second book in the thrilling paranormal EarthEnd Saga that Flavorwire called the dream of nerds everywhere After uncovering a mystical link to the ancient civilization of Galderkhaan child psychologist Caitlin O Hara is left with strange new powers Suddenly she can heal her young patients with her mind and see things from other places and other times But as she learns more about her powers she also realizes that someone is watching her perhaps hunting her and using her son to do it Meanwhile Mikel Jasso a field agent for a mysterious research organization is hunting Galderkhaani artifacts in Antarctica After falling down a crevasse he discovers that the entire city has been preserved under ice and that the mysterious stone artifacts he s been collecting are not as primitive as he thought The stone artifacts are in fact advanced computers keeping the memories and maybe even the souls of the Galderkhaani people alive And something has activated them in the present As Mikel and Caitlin work to uncover the mysteries of the Galderkhaani they realize that the person hunting Caitlin and the thing that has activated the stones may be one and the same Fans of Douglas Preston and Lincoln Child will find a lot to like Publishers Weekly in the Earthend Saga and this latest adventure is sure to leave you gasping for breath as Caitlin races against time to save what s dearest to her heart *The Dynamics of Dream-Vision Revelation in the Aramaic Dead Sea Scrolls* Andrew B. Perrin,2015-08-19 Among the predominantly Hebrew collection of the Dead Sea Scrolls are twenty nine compositions penned in Aramaic While such Aramaic writings were received at Qumran these materials likely originated in times before and locales beyond the Qumran community In view of their unknown past and provenance this volume contributes to the ongoing debate over whether the Aramaic texts are a cohesive corpus or accidental anthology Paramount among the literary topoi that hint at an inherent unity in the group is the pervasive usage of the dream vision in a constellation of at least twenty writings Andrew B Perrin demonstrates that the literary convention of the dream vision was deployed using a shared linguistic stock to introduce a closely defined set of concerns Part One maps out the major compositional patterns of dream vision episodes across the collection Special attention is paid to recurring literary philological features e g motifs images phrases and idioms which suggest that pairs or clusters of texts are affiliated

intertextually tradition historically or originated in closely related scribal circles Part Two articulates three predominant concerns advanced or addressed by dream vision revelation The authors of the Aramaic texts strategically employed dream visions i for scriptural exegesis of the antediluvian patriarchal traditions ii to endorse particular understandings of the origins and functions of the priesthood and iii as an ex eventu historiographical mechanism for revealing aspects or all of world history These findings are shown to give fresh perspective on issues of revelatory discourses in Second Temple Judaism the origins and evolution of apocalyptic literature the ancient context of the book of Daniel and the social location of the Aramaic Dead Sea Scrolls
