Love's Voice Richard Zimler, 2011-08-18 These aphoristic gleanings of ancient and mystical philosophy written in the form of haiku by award winning novelist Richard Zimler capture the heart of the tradition in ways that are personally awakening Love's Voice is a doorway to Kabbalah for readers at all levels of experience Acclaimed novelist Richard Zimler uses the form of haiku to distill Kabbalistic philosophy into its most essential form

providing a rare and deeply affecting experience of the wisdom of the ages These seventy two haiku require no special knowledge of Kabbalah or indeed of Jewish culture Readers who do have some background in Kabbalah will find additional and sometimes hidden references and meanings in many of these verses Every passage in Love s Voice verse is a memorable meditation that will touch each reader in a different way Here is a greatly original yet historically framed entry point to an extraordinary mystical tradition

The Gospel According to Lazarus Richard Zimler,2019-07-01 From the international best selling author of The Last Kabbalist of Lisbon comes a dazzling new work of historical fiction retelling the story of the Passion from the point of view of Lazarus According to the New Testament Jesus resurrected his friend but the Gospel of John omits details of how he achieved this miracle and whether he had any special purpose in doing so The acclaimed novelist Richard Zimler takes up the tale and recreates the story of the Passion from Lazarus point of view Restored to physical health he has difficulty picking up his former existence his experience of death has left him fragile and disoriented and he has sensed nothing of an afterlife Meanwhile he has become something of a local celebrity even though he and Jesus are increasingly reviled by the Temple s high priests As he turns more and more to Jesus for guidance while observing his friend s growing mystical powers and influence through his spiritual activities he finds their lives becoming dangerously entwined which tests to the limit their friendship and affection In this compelling work of fiction the author places Jesus in the historical context of ancient Jewish practice and tradition he is at once a charismatic rabbi and a political activist who uses his awareness of a transcendent reality culminating in the Kingdom of Heaven to try to bring justice to his people and a broader compassion for humankind With The Gospel According to Lazarus Richard Zimler brings the familiar story vividly to life and finds fresh meaning in the Passion and Crucifixion
