Our War-time Kitchen Garden Tom Jerrold,1917 Spuds, Spam and Eating For Victory Katherine Knight,2011-10-21

The battle to keep the nation fed during the Second World War was waged by an army of workers on the land and the resourcefulness of the housewives on the Kitchen Front The rationing of food clothing and other substances played a big part in making sure that everyone had a fair share of whatever was available In this fascinating book Katherine Knight looks at how experiences of rationing varied between rich and poor town and country and how ingenuous cooks often made a meal from poor ingredients Charting the developments of the rationing programme throughout the war and afterwards *Spuds Spam and Eating for Victory* documents the use of substitutions for luxury ingredients not available resulting in delicacies such as carrot jam and oatmeal sausages The introduction of Spam in America in the forties led to this canned spiced pork and ham becoming an iconic symbol of the worse period of shortage in the twentieth century Seventy years after the outbreak of the Second World War this book listens to some of the people who were young during the conflict share their memories both sad and funny of what it was like to eat for Victory **Recycling in the Garden** Angela

Youngman,2023-02-16 People are becoming more aware of the environment and their impact on it Over the past decades we have become an increasingly consumerist based society From a world in which recycling was common single use became the norm This throwaway society is unsustainable Sustainable gardening results in the creation of an environmentally friendly area in which natural predators thrive and soils are naturally replenished Discover innovative and simple ways of recycling everything from water to materials in the garden Practical examples show recycling in action turning unwanted items into useful features such as bottle edging footpaths made from tyres garden forks into table lamps broken pottery to mosaics and tree roots into lush garden stumperies Recycling reusing and upcycling in the garden can make a difference helping you save money by using less water making your own compost choosing energy efficient equipment and by giving everyday items a totally new function Instead of a throwaway society we are increasingly looking at ways of reducing our use of increasingly scarce resources turning plastic into paths using solar energy and conserving water Natural recycling of plant material and sustainable gardening is increasingly popular This book helps search for creative ideas that can conserve resources and save you money Water is no longer cheap so the book suggests many ways that you can re use water and get free rainwater The book helps you with places you may not think of looking for free and cheap material such as reclamation yards factories restaurants and hospitals Let your imagination run free without needing much skill and without breaking the bank **The Garden** ,2000 **Scala Radio's A Soundtrack for Life** Scala Radio,2021-07-08 Bringing together much loved masterpieces with exciting new works this accessible and inspiring guide is a celebration of classical music With pieces ranging from Vaughan Williams s *The Lark Ascending* and Beethoven s *Pastoral Symphony* to the scores for *Avatar* and

Assassin's Creed each entry puts the piece of music into context providing fascinating insights into the inspirations behind each work and enhancing your listening experience Organised into Occasions and Themes the book features music to accompany you through your day from getting up and getting dressed to running reading walking the dog cooking taking a bath going to sleep and everything in between You'll also find expert curations of the world's most romantic music and the greatest Christmas choral works as well as compositions that celebrate the natural world and mark births and marriages Perfect for classical music enthusiasts as well as anyone looking for an enjoyable introduction to this genre this is the definitive modern guide to classical music
