Judith Cranswick,2005-01-01 *The Apprentice In The Master's Shadow* Ian Gregoire,2020-05-04 Sometimes Respect Has To Be Earned The Hard Way The end of an arduous apprenticeship is close at hand and Kayden Jayta unexpectedly learns that being the favoured apprentice of a living legend is not conducive to gaining the respect she deserves With little time left to change perceptions simmering resentment persuades her that drastic action is required to redress the slights of her detractors Measures that may jeopardise her induction into the Order and endanger her life An overheard conversation presents Kayden with both the means and justification to pursue her objective The key to attaining the respect she craves lies beyond the borders of the Nine Kingdoms But the window of opportunity is small the danger she must face great and the price of failure greater still Undeterred she will allow nothing and no one to hinder her from the path she must walk The one woman mission to a foreign land will test Kayden s abilities like never before If she is to succeed in her dangerous manhunt she must overcome enemies new and old before facing an adversary she maybe ill equipped to defeat And little does she suspect that her reckless endeavour will have unintended consequences forcing the legendary Fay Annis to confront her infamous past But the trials and tribulations that lie ahead must surely be worth the risk for only unprecedented action will permit the headstrong apprentice to step out of her master s shadow **The Dark Apprentice** ,2015-12-25 Before he was a villain Before he helped end a war fought to destroy mankind Valon was a apprentice to the evil that fought against the Saviors in the book Celestial the Realm of Armageddon Now he has a story to tell before the events of it all *Watcher of the Dead* J. V. Jones,2011 The epic fourth novel in the Sword of Shadows series In this powerful saga of redemption and renewal Jones brings to vivid life the magnificent tapestry of a world at once desperately fighting for survival against supernatural monsters and rent by internecine warfare *Watcher in the Shadows* Marcia Miller,1977 **Watcher of the Dead** J. V. Jones,2011-03-29 The epic fourth novel of the Sword of Shadows fantasy series In this powerful saga of redemption and renewal J V Jones brings to vivid life the magnificent tapestry of a world at once desperately fighting for survival against supernatural monsters and rent by internecine warfare The frozen land at the north of the world was once ruled by a legendary nation of superhuman warriors But that age has passed leaving ancient clans to struggle for dominance as supernatural forces beyond their control threaten their very existence Amid the chaos of world changing violence unlikely heroes emerge An unwanted warrior a forsaken woman of power the betrayed widow of a slain clan chief these are the heroes rising to claim what has been taken from them and to reshape the world In a sharply observed narrative that illuminates these riven lives Jones has crafted a human drama full of the excitement suspense and sheer storytelling power that have made the Sword of Shadows a fantasy series that transcends genre to become a memorable tale of human striving and triumph that speaks to readers as have few others **The Apprentice In The Master's Shadow** Ian Gregoire,2020-05-04 Two years after the thrilling events of *The Exercise Of Vital Powers* Kayden Jayta s apprenticeship to join the Order is about to come to a dramatic end The long awaited sequel to Ian Gregoire s unheralded fantasy debut raises

the stakes and takes the perilous adventures of the precocious anti heroine to the next level
