The Whistle Walk Ironwood Plantation Family Saga Volume 1:

The Whistle Walk Stephenie H. McGee, 2014-12-17 A Mississippi Plantation Civil War pits countrymen against one another and tears a nation asunder Life and death are held in the balance where everyone is a slave to something One is born free yet lives as a soul in bondage Lydia Harper never intended to purchase a slave But when she witnesses a woman being beaten in the street all her pretenses begin to unravel A bride to a man she barely knows and bound by her secrets Lydia will risk everything to save a stranger Amid the War Between the States the mistress of Ironwood faces the battles in her own heart and discovers strength in a way she never imagined The other is born to serve yet holds the spirit of freedom Ruth standing on the threshold of desperation has lost everything she holds dear After being pulled from the dirt she is no longer a field hand but the personal maid to the lady of Ironwood Ruth soon realizes adversity pays no mind to the color of skin When propriety slips she discovers they have more in common than she dreamed possible In a time when fear brings the South to its knees two women will forge a friendship in the fires of redemption and thrust Ironwood into a new future where the battle for freedom has merely begun
