Wrath Of The Usurper:

Wrath of the Usurper Kal Spriggs, 2015-05-29 Civilization is dying The lands of the Five Duchies are in chaos They are leaderless and each land stands alone Besieged by barbarians savages fell beasts and infighting few doubt that the end times are upon them Yet all is not lost In the East Lady Katarina Emberhill has begun an uprising against the Usurper and those who follow her carry relics from the time of the High Kings In Boir Lord Admiral Christoffer Tarken forges alliances and defends his lands And in the Eastwood powers that have been silent for eons are stirring and turning their eyes to the outside world But the key is the Usurper Duke a man drawn to savagery and battle His victories in his personal war against the Armen have swelled the ranks of his army Who will draw the wrath of the Usurper will he turn it against his own rebellious people or levy his forces against the threats to all civilized men

The Usurper's Crown Sarah Zettel, 2012-05-01 Ingrid Lotfield was a good woman doing right by her parents protecting her sensitive sister and reliably completing her fair share of the chores necessary for life in their fishing village in 1872 on the cold shore of Lake Superior Then Avan came He said he was Norwegian as many of the fisherman were He was different kind and quiet and strong and one day he somehow miraculously helped to save her sister from a terrible fate in a watery grave She knew Avan was from a far land knew he loved her They would be married have children be fisherfolk as had generations before them But before they could wed he was called back to the land of his birth a land beyond the shore of Superior beyond Earth a magical land where he was more than a fisherman He had to go He wouldn't see her hurt and there were untold forces in his homeland Isavaltá that could harm her beyond her wildest imaginings But her love was too strong for him to resist She would go with him no matter the risks So brave so dear Together they would face danger and excitement to save an empire and its empress and find their own fate no matter what peril no matter how strange
