The Wings of the Dove, Volume 1 of 2 Henry James, 2019-12-02 Of the three late masterpieces that crown the extraordinary literary achievement of Henry James *The Wings of the Dove* is at once the most personal and the most elemental James drew on the memory of a beloved cousin who died young to create one of the three central characters Milly Theale an heiress with a short time to live and a passion for experiencing life to its fullest To the creation of the other two Merton Densher and the magnificent predatory Kate Croy who conspire in an act of deceit and betrayal he brought a lifetime's distilled wisdom about the frailty of the human soul when it is trapped in the depths of need and desire And he brought to the drama that unites these three characters in the drawing rooms of London and on the storm lit piazzas of Venice a starkness and classical purity almost unprecedented in his work Under its brilliant coruscating surfaces beyond the scrim of its marvellous rhetorical and psychological devices *The Wings of the Dove* offers an unfettered vision of our civilization and its discontents It represents a culmination of James art and as such of the art of the novel itself

The Wings of the Dove Henry James, 2012-09-27 She found herself for the first moment looking at the mysterious portrait through tears Perhaps it was her tears that made it just then so strange and fair the face of a young woman all splendidly drawn down to the hands and splendidly dressed And she was dead dead dead Emerging from the grit and stigma of poverty to a life of fairytale privilege under the wing of her aunt the beautiful and financially ambitious Kate Croy is already romantically involved with promising journalist Merton Densher when they become acquainted with Milly Theale a New York socialite of immense wealth Learning of Milly's mortal illness and passionate attraction to Densher Kate sets the scene for a romantic betrayal intended to secure her lasting financial security As the dying Milly retreats within the carnival splendour of a Venetian palazzo becoming the frail hub of a predatory circle of fortune seekers James unfolds a resonant brooding tale of doomed passion betrayal human resilience and remorse *The Penguin English Library* 100 editions of the best fiction in English from the eighteenth century and the very first novels to the beginning of the First World War
