The Utterly Uninteresting And Unadventurous Tales Of Fred The Vampire Accountant:

The Utterly Uninteresting and Unadventurous Tales of Fred, the Vampire Accountant Drew Hayes, 2014-08-12 Some people are born boring Some live boring Some even die boring Fred managed to do all three and when he woke up as a vampire he did so as a boring one Timid socially awkward and plagued by self esteem issues Fred has never been the adventurous sort One fateful night different from the night he died which was more inconvenient than fateful Fred reconnects with an old friend at his high school reunion This rekindled relationship sets off a chain of events thrusting him right into the chaos that is the parahuman world a world with chipper zombies truck driver wereponies maniacal necromancers ancient dragons and now one undead accountant trying his best to survive Because even after it s over life can still be a downright bloody mess

Undeath & Taxes Drew Hayes, 2015-08-11 The sequel to the Amazon bestseller THE UTTERLY UNINTERESTING AND UNADVENTUROUS TALES OF FRED THE VAMPIRE ACCOUNTANT After discovering just how filled with magic intrigue and adventure the parahuman world of being an Undead American can be Fredrick Frankford Fletcher did exactly what was expected he became a certified parahuman accountant Myths and legends as it turns out are not so great at taking appropriate deductions and keeping their receipts and Fred is more than happy to return to a life others view as woefully dull expanding his accounting business to cater to various monsters and their respective financial needs Said monsters are unfortunately still spectacular at pulling Fred into trouble though And despite merely wanting to stick with simple paperwork Fred once again finds he is going to have to deal with enchanted weaponry government agents possessed houses and one enigmatic dragon s interest In the parahuman world any business can turn deadly even one as mundane as accounting

Bloody Acquisitions Drew Hayes, 2016-07-26 The third book in Drew s outrageously adventurous and satirical series including THE UTTERLY UNINTERESTING AND UNADVENTUROUS TALES OF FRED THE VAMPIRE ACCOUNTANT Book 1 and UNDEATH TAXES Book 2 With a thriving parahuman accounting practice a steady relationship and a circle of trusted friends Fred s undead life has become more enjoyable than his normal one ever was Unfortunately it also seems that he s no longer the only vampire to appreciate the up and coming city of Winslow Colorado A new clan of vampires is moving in and they aren t well known for tolerating outsiders in their territory Now Fred must cope with the growing presence and threat of other vampires even as he struggles to keep up with his business s demands and make time for his friends Between hidden parahuman towns crazed vampire hunters quarreling mages and the world s least subtle spy it will take all of Fred s wiles just to keep his head above water And as the new clan sinks their fangs deeper and deeper into his city the undead accountant is faced with a choice between two equally unappealing options flee his home or stand against an entire clan of fellow vampires

The Fangs of Freelance Drew Hayes, 2017-08 When Fred formed his own parahuman clan out of necessity he understood that it was going to come with new responsibilities Much as he hoped those tasks would center around extra paperwork and perhaps the occasional mandatory class enough time around the supernatural has taught

him to be ready for anything Or so he thought As a freelance accountant for the Agency Fred soon finds himself being tossed into new unexpected and perilous situations From inventorying ghostly castles to exploring unsettling amusement parks to negotiating with dangerous mages it seems there is no end to the uses for an accountant of Fred s specialty But dangerous as the new jobs are the greatest threat may come from the past An old enemy is making waves once more an enemy who would go to great lengths to destroy Fred and everyone he loves And this time they ve brought backup The fourth book in the hilarious series following Fred the vampire accountant and the misadventures he finds himself in Undeading Bells Drew Hayes,2019-12-17 After surviving countless perils and dangers including an examination by the Blood Council Fred is preparing to take on his most important adventure to date marrying Krystal That is if he can get everything handled in time Visiting Boarback hiring new staff clearing out his schedule for a honeymoon there s no shortage of tasks to check off before the big day arrives But not everyone views the occasion in such a happy light With new dangers looming old debts raised and grudges rekindled it ll take everything Fred has to finally make it down the aisle *Undeath and Taxes* Drew Hayes,2015 After discovering just how filled with magic intrigue and adventure the parahuman world of being an Undead American can be Fredrick Frankford Fletcher did exactly what was expected he became a certified parahuman accountant Myths and legends as it turns out are not so great at taking appropriate deductions and keeping their receipts and Fred is more than happy to return to a life others view as woefully dull expanding his accounting business to cater to various monsters and their respective financial needs Said monsters are unfortunately still spectacular at pulling Fred into trouble though And despite merely wanting to stick with simple paperwork Fred once again finds he is going to have to deal with enchanted weaponry government agents possessed houses and one enigmatic dragon s interest In the parahuman world any business can turn deadly even one as mundane as accounting
