Generation Hex Dillon Burroughs, Marla Alupoai, 2008 Wicca is America's fastest growing religion. By the year 2012 it is projected to be the third largest religion in the United States. In *Generation Hex*, Marla Alupoai and Dillon Burroughs explore the history, culture, and practices of Wicca. As part of their research, they interviewed travelers to historic Salem, Massachusetts; consulted practitioners of leading neopagan conferences in the Pacific Northwest and Canada; and dialogued with several current and former adherents of Wicca and other forms of witchcraft to evaluate the past and present of this growing spiritual tradition. The result is a compelling account that will inform and equip Christians, especially parents, to understand Wiccan and New Age teachings. Readers will have confidence to explain this belief system to others and to communicate the gospel to those caught up in this practice. *Generation Hex* identifies with the spiritual hunger of a generation seeking truth, authenticity, and hope in a fragmented world. It is perfect for personal study or as a gift for anyone interested or involved in Wicca.

The Publishers Weekly, 2006 *The Witching Year* Diana Helmuth, 2023-10-03 A skeptic spends a year trying to find spiritual fulfillment by practicing modern Witchcraft in this fascinating memoir that is perfect for fans of A.J. Jacobs and Mary Roach. Diana Helmuth, thirty-three, is skeptical of organized religion. She is also skeptical of disorganized religion. But more than anything, she is tired of God being dead. So she decides to try on the fastest growing self-directed faith in America: Witchcraft. The result is 366 days of observation, trial, error, wit, and back spasms. Witches today are often presented as confident and finished, proud and powerful. Diana is eager to join them. She wants to follow all the rules, memorize all the incantations, and read all the liturgy. But there's one glaring problem: no witch can agree on what the right rules, liturgy, and incantations are. As with life, Diana must define the craft for herself, looking past the fashionable and figuring out how to define the real. Along the way, she travels to Salem and Edinburgh, two very crafty hubs, and attends a week-long clothing optional witch camp in Northern California. Whether she's trying to perform a full moon ritual on a cardboard box, summon an ancient demon with scotch tape and a kitchen trivet, or just trying to become a calmer, happier person, her biggest question remains: Will any of this really work? *The Witching Year* is a compelling memoir. Frances Denny, author of *Major Arcana*, that follows in the footsteps of celebrated memoirs by journalists like A.J. Jacobs, Mary Roach, and Caitlin Doughty, who knit humor
