

To Kill a Mockingbird Dialectical Journal Ch. 1-11

Directions: A Dialectical Journal is a place where you record observations about the story in order to interact and engage with it on a deeper level. For each chapter, complete the steps below.

1. **Quote:** Find a meaningful quote from the chapter (any quote that stands out to you/ fits one of these topics: Innocence, Coming of Age, Injustice, Empathy, Symbolism, Challenges/Choices, Prejudice, or Gender.) **Make sure to CITE your quote (Author Page Number).**
2. **Analysis:** Identify the topic above and write a brief explanation of the quote. What is happening in the quote? (1-2 sentences)
3. **Connection:** Why did you choose this quote? What stands out to you about it? Is it important for understanding the story or understanding Scout? Do you connect with it in any way? (minimum 3 sentences)

Ch. 1	Quote: "The old house was the same, droopy and sick, but as we stared down the street we thought we saw an inside shutter move. Flick. A tiny, almost invisible movement, and the house was still." (Lee 15) Analysis: The quote is speaking of the house as if it has its own feelings and is alive. Connection: This quote shows what goes on in their heads. A little because it shows what she thinks of the house. I do not connect with it.

help the students who have to read the novel *To Kill a Mockingbird* at their high school or college in their literature course. Generally, students read novels and stories as means of entertainment, but the first reading of novels or stories does not enable them to read between the lines that can help them to pursue their literature course. While reading a novel, you must try to read a little about the background of the author, the background of the particular work that you are going to read, and the response of reviewers and newspapers or magazines. *To Kill a Mockingbird* describes a tragic incident of rape and racial inequality, but it is also known for the warmth and humour that the author has added so skillfully to the novel. The narrator is a nine-year-old girl, but there were critics who presented their mixed reactions after the publication of the novel, with several of them saying that the voice of the narrator is unconvincing and they called *To Kill a Mockingbird* overly moralistic.

Quicklet on *To Kill a Mockingbird* by Harper Lee Zachary Crockett, 2012-01-05 Quicklets Learn more Read less Harper Lee published *To Kill a Mockingbird* in 1960. Shortly thereafter, the book won the Pulitzer Prize and is now known as one of the greatest books ever written, selling over 30 million copies in 18 languages. The immediate fame the book achieved came as a shock to Lee, who never relished being in the spotlight. Much of Lee's novel is drawn from real events from her childhood in Monroeville, Alabama, during the Great Depression. As such, the racial and moral undertones of the book provide a very realistic portrait of southern life in the 1930s. The book's hero, Atticus Finch, is lauded as one of the great fictional moralists, a man who not only fought racial injustice but defended his family through it all, refused to compromise any of his values or integrity. Today, *To Kill a Mockingbird* is among the most commonly assigned books in high school English classes and seldom raises concerns over the controversial subjects it addresses. It has, to this day, never been out of print and has remained Harper Lee's one and only novel. *Reflections*, 2001
