Tracy St. John

To Clan And Conquer Clan Beginnings:

Worlds Collide Tracy St. John, 2018-10-29 Engineer Velia Farrah always wanted to see an alien up close Now that she s assigned to study the top secret portal linking Earth to other worlds she ll get her chance But when a fierce gold skinned alien from Risnar leaps from the portal and whisks her back to his home planet up close takes on a whole new meaning Believing Earthlings had killed his fellow warriors Jape Bolep is determined to destroy Earth s access to Risnar once and for all Grabbing a curvy handful of a human wasn t part of the plan but he has no intention of letting her distract him from his need for vengeance no matter how much he aches to make her his Both are ready to do battle over right and wrong and good and evil and their combustible relationship burns hotter than the sun s surface But distrust and treachery from all sides leave Velia and Jape in a fight against their own people to keep each other alive and to ultimately save both Earth and Risnar from total destruction One click with confidence This title is part of the Carina Press Romance Promise all the romance you re looking for with an HEA HFN It s a promise This book is approximately 90 000 words Carina Press acknowledges the editorial services of Alissa Davis

Worlds Apart Tracy St. John, 2018-05-28 After escaping her alien captors Anneliese Thompson has reclaimed her life on Earth but she never forgot the Risnarish man who set her free Now he s back with an ominous message the Monsuda are coming for her again To survive she must return to his planet and let his people help her But this former soldier is done sitting on the sidelines this time Anneliese wants in on the fight Risnar warrior and scientist Nex Clauhahz searches for the former captives he freed from the Monsudan hive Anneliese s fire and strength instantly draw him to her He vows to do whatever it takes to protect her even if he has to save her from herself As alliances are threatened and new enemies are uncovered Nex and Anneliese search for a way to defeat their common foe With everything she cares for teetering on the verge of destruction including her own warrior strength Anneliese must prove her loyalty and worth and embrace a second chance at love and a life worth living This book is approximately 88 000 words One click with confidence This title is part of the Carina Press Romance Promise all the romance you re looking for with an HEA HFN It s a promise Carina Press acknowledges the editorial services of Alissa Davis

Not of This World Tracy St. John, 2018-02-05 He was her savior but she was his salvation Jeannie Gardner escapes from her captors clutches only to find herself trapped on a planet far from Earth When she is discovered by a muscle bound warrior she must prove to him and the Council of Elders that she is not a creature set free from a lab but a sentient being from another planet If she succeeds they will send her home If she fails she will be executed Risnar warrior Kren Bolep is duty bound to protect his village from the Monsuda and their creations But this small pink skinned female is different special As the bond between them grows Jeannie s vulnerability invokes Kren s protective instincts and he vows to uncover the truth and secure her future But there is a bigger threat looming The Monsuda are coming to get Jeannie and they ll use whatever means necessary When Jeannie is taken Kren is forced to choose disobey the Elders and place his people in danger or lose the only person who makes him feel whole This book is

approximately 86 000 words Carina Press acknowledges the editorial services of Alissa Davis *To Clan and Conquer* Tracy St. John, 2013-10-28 Starting a clan is not on ambitious First Officer Tranis agenda he is too busy building a career in the Kalquorian fleet It s a good thing since the Nobek who captures his interest belongs to the captain and the Imdiko he can t stop thinking about is not his type Weapons Commander Lidon feels his best days are behind him The Imdiko he wants avoids him and the new Dramok first officer is obviously too young to consider an older crippled Nobek However an unexpected invitation makes Lidon wonder if there is something more to look forward to after all Head doctor Degorsk hides behind an offbeat sense of humor that shocks and keeps his fellow crewmembers at arms length exactly where he wants them But one Nobek refuses to be discouraged and the new first officer is too much temptation to deny himself As the trio is pulled together by attraction and pushed back apart by fear an old enemy threatens the Kalquorian Empire With no choice but to rely on each other for survival Tranis Lidon and Degorsk are forced to expose their greatest terrors to each other and themselves Contains elements of BDSM including physical discipline anal play intercourse bondage Dom sub play forced seduction multiple sexual partners and homoerotic situations m m m **The Origins of Chinese Civilization** David N. Keightley, 2023-11-15 The seventeen contributors to this interdisciplinary volume bring to the study of early China the analytical concerns of archeology art history botany climatology cultural and physical anthropology ethnography epigraphy linguistics metallurgy and political and social history Readers interested in such topics as the origin of rice or millet agriculture the origin of writing the nature of the trie and the processes of state formation will find much value here They will find too major hypotheses about teh cultural importance of ecogeographical zones in China Neolithic interaction between the east coast and Central Plains the remarkable homogeneity of early Chinese crania and the links between the Hsia Shang and Chou dynasties Relying on recently published archaeological evidence and the insights gained from carbon 14 and thermoluminescent datings the authors provide original and significant interpretations of the nature of Chinese civilization in its formative stage and the processes by which civilizations form Since there is little doubt that the complex of culture traits which defines Chinese civilization in the second and fist millennia B C developed from a Chinese Neolithic stage the origin of the Chinese civilization is worth studying not only in its own right but as an instance of the indigenous development of civilizations in general This volume will appeal to all who are intersted in the genesis of civilization and the transition from the Neolithic to the Bronze Age it summarizes that state of present knowledge about China and suggests research strategies and hypotheses for the future Contributors Noel BarnardK C ChangTe Tzu ChangCheung Kwong YueWayne H FoggUrsula Martius FranklinMorton H FriedW W HowellsLouisa G Fitzgerald HuberKarl JettmarDavid N KeightleyFang Kuei LiHui Lin LiWilliam MeachamRichard PearsonE G PulleyblankRobert Orr Whyte This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship

accessible once again using print on demand technology This title was originally published in 1983 *The True Origins of Irish Society* Desmond Keenan, 2004-01-22 This book had its origin when the author was glancing through an English translation of Adolf Hitler's book *Mein Kampf* He was so struck by Hitler's account of German history before during and after the First World War that he went and bought the book What amazed him was its resemblance to the version of Irish history that he had been taught in Irish schools There was no question of either side borrowing directly from the other but equally obviously both were drawing on a common set of ideas and used a common method of exposition Further study showed that both exposed a racist view of history and believed in the Darwinian struggle of the races Both regarded their countries as subjected by alien races who destroyed the pure native culture Both attributed every evil in their respective societies to these malign evil influences Both saw that the alien races would have to be expelled from their countries so that their countries could again prosper when their native cultures were restored Protestant landlords in Ireland had the same place in Irish racist propaganda and political mythology that the Jews had in Nazi political mythology Most Irish boys of the author's generation had like Hitler come across an inspiring teacher of history who inspired them to nationalism with his one-sided stories of Irish wrongs at the hands of the English Having realised that the standard version of Irish history was vitiated in its roots the problem arose as to how a version of Irish history could be written which was fair to all parties involved Many excellent books and monographs on various parts of Irish history have been written and he has drawn on them considerably in this book It is noticeable that the further the subject of an historical study is from the present the easier it is to be objective and the less controversy there is Some of the points examined and tested in this book are basic assumptions of racist propaganda that separate races exist that languages distinguish races that each race has its own unique culture and that foreign invasions necessarily destroy that unique culture The author makes no claim to have done original research on any of the topics discussed in this book but has drawn on the standard published works He brings to the research a wide knowledge of the various subjects discussed which he has gathered over a lifetime As a result of his researches he came to several conclusions Firstly that there was no unique Irish or Celtic race Celtic being merely a language that had spread into many parts of Europe including Ireland There was only one race in Europe that of the Palaeolithic hunters who spread over it in the wake of the retreating ice sheets Celtic was a branch of the Indo-European languages which originated apparently in southern Russia about 3000 BC Gradually it broke into different dialects which further developed into distinct languages But as late as 1500 BC Gaelic Anglo-Saxon and German were the same language There was no evidence of invasions like those of Celtic warriors or any evidence that they wiped out the native population As one author Raftery however remarked ruefully it was regarded as virtually heresy to suggest that there never was a Celtic invasion The culture of Ireland was not unique It was derived bit by bit from centres of origin abroad often in the Middle East Nor were the various bits introduced by conquering warrior races Farming techniques seem to have been spread largely by copying Techniques in metal working by

travelling families who kept their secrets among themselves Borrowing was selective The Celtic language is as likely to have been introduced by traders as by warriors Some things like writing and building with stone seem to have been neglected until introduced later in differing circumstances There is no evidence that Ireland was a peaceful and prosperous land before the coming of the in **A Sketch of Semitic Origins** George Aaron Barton,1902 **Battle Cry** Fouad Sabry,2024-06-23 What is Battle Cry A yell or chant that is used during combat typically by members of the same fighting group is referred to as a battle cry or war cry instead Despite the fact that they frequently seek to evoke feelings of patriotism or religious devotion battle cries are not always intended to be articulate They are designed to provoke hostility and esprit de corps on one s own side while simultaneously instilling a sense of fear and apprehension in those on the opposing side Overstating one s own aggressive potential to the point where the adversary prefers to avoid combat altogether and opts to escape is the best way to get a competitive advantage through the use of battle cries which are a universal form of display behavior that try to achieve this advantage war cries need to be as loud as possible in order to exaggerate the potential for violence that an individual possesses Throughout history acoustic devices such as horns drums conches carnyxes bagpipes bugles and other similar instruments have frequently been used to amplify the volume of war cries How you will benefit I Insights and validations about the following topics Chapter 1 Battle cry Chapter 2 Motto Chapter 3 Takbir Chapter 4 Slogan Chapter 5 Ten thousand years Chapter 6 Victory or death Chapter 7 Waheguru Chapter 8 Bole So Nihal Chapter 9 Deus vult Chapter 10 Sat Sri Akaal II Answering the public top questions about battle cry Who this book is for Professionals undergraduate and graduate students enthusiasts hobbyists and those who want to go beyond basic knowledge or information for any kind of Battle Cry **Legitimacy / Légitimité** Athanasios Moulakis,2017-03-06 No detailed description available for Legitimacy L gitimit The Origins of Democracy in Tribes, City-States and Nation-States Ronald M. Glassman,2017-06-19 This four part work describes and analyses democracy and despotism in tribes city states and nation states The theoretical framework used in this work combines Weberian Aristotelian evolutionary anthropological and feminist theories in a comparative historical context The dual nature of humans as both an animal and a consciously aware being underpins the analysis presented Part One covers tribes It uses anthropological literature to describe the campfire democracy of the African Bushmen the Pygmies and other band societies Its main focus is on the tribal democracy of the Cheyenne Iroquois Huron and other tribes and it pays special attention to the role of women in tribal democracies Part Two describes the city states of Mesopotamia Syria and Canaan Phoenicia and includes a section on the theocracy of the Jews This part focuses on the transition from tribal democracy to city state democracy in the ancient Middle East from the Sumerian city states to the Phoenician Part Three focuses on the origins of democracy and covers Greece Mycenaean Dorian and the Golden Age It presents a detailed description of the tribal democracy of Archaic Greece emphasizing the causal effect of the hoplite phalanx military formation in egalitarianizing Greek tribal society Next it analyses the transition from

tribal to city state democracy with the new commercial classes engendering the oligarchic and democratic conflicts described by Plato and Aristotle Part Four describes the Norse tribes as they contacted Rome the rise of kingships the renaissance of the city states and the parliamentary monarchies of the emerging nation states It provides details of the rise of commercial city states in Renaissance Italy Hanseatic Germany and the Netherlands

Adopting the Melody of Appearance: An Psychological Symphony within **To Clan And Conquer Clan Beginnings**

In some sort of taken by displays and the ceaseless chatter of instant interaction, the melodic beauty and emotional symphony created by the written term often fade into the backdrop, eclipsed by the relentless sound and interruptions that permeate our lives. Nevertheless, set within the pages of **To Clan And Conquer Clan Beginnings** a wonderful fictional prize full of natural emotions, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, that interesting masterpiece conducts viewers on an emotional journey, skillfully unraveling the concealed melodies and profound affect resonating within each carefully constructed phrase. Within the depths of the emotional evaluation, we will explore the book is main harmonies, analyze their enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
