Tomfoolery Tragedy Personal Brothers Vietnam:

Tomfoolery and Tragedy Keith Murphy, 2015-12-07 Every person has periods in his life when life as he knows it suddenly changes sometimes drastically My first book Whoa Yonder was about my childhood growing up on the family farm in the 1950 s and early 60 s Those years were about as peaceful and idyllic as you can imagine But this book Tomfoolery and Tragedy is a collection of stories taken from 1963 1965 when my world suddenly began to tremble The farm boy had grown into a throbbing 16 year old who was beginning to anxiously respond to the calls of a mysterious exciting and sometimes dangerous world Crossing over the bridge between childhood and the rest of my life in many ways was a wonderful and delightful journey and a big portion of this book consists of funny and interesting stories drawn from those experiences For example girls had my full attention during this time and I seem to have suffered more misadventures in this category than most young men I couldn t resist telling several dating stories wrestling with Betty Sue at the Sunset Drive in the surprises Cheryl gave me on my one and only double date with my older brother the first time I ever got unlucky with a girl and the night Angel taught me all about swish poppa My girly stories are not too graphic and I doubt they will arouse any prurient interests in anyone but they were all big events in this teenager s life I also felt compelled to share some of the mischief my buddies and I managed to live through For example the scary night Tommy and I spent in the almost empty Colquitt Hotel the day Wayne and I spent 8 hours in the Folly Burlesque Hall or the confrontation Luke and I faced on the sidewalks of Kansas City after leaving an old whorehouse are just a few examples of some of my juvenile adventures At the same time that my personal life seemed to resemble a runaway train America also appeared to have lost its mooring The assassination of President Kennedy in November 1963 rattled every American young and old That event I feel was directly responsible for my brother s decision to join the Marines in January 1964 the biggest decision he would ever make Dr Martin Luther King Jr and the historic moments of the Civil Rights Movement during 1963 shook up my segregated world and it also shook me up Bull Connor s frontal assault on black men women and children in Birmingham the I have a dream speech in front of 250 000 demonstrators in Washington and the death of 4 little black girls at the 16th Street Baptist Church would cause waves of change to roll over most Americans and break down our resistance to racial integration Yet nothing has affected my life more than my brother s death in Vietnam in May 1965 His dedication to duty and his bravery in that muddy ditch 50 years ago is a story that must be told and retold In the last chapter I share hand written letters from other Marines and treasured photos of my hero brother s last days Finally I make an effort to understand what really happened to place our Nation in a long bloody war halfway around the world I hammer away on lessons that I think were bought with the lifeblood of over 51 000 Americans Soldiers whose lives were not sacrificed in vain as long as we recognize remember and value the lessons to be learned from Vietnam In the end it is my hope that my stories will make you laugh and cry and when you put my book aside there will be a tear stained smile on your face

Vietnam Remembered Today MR Mark William Shaughnessy,2017-02-08 Vietnam Remembered Today is a compare and contrast story of brothers in Vietnam at the same time with dramatically different experiences and outcomes Mark was in a support function while Don was in the jungle fighting the enemy until injured We describe what many encountered during

the Vietnam Conflict This memoir will resonate with others who cannot tell their story but want others to know what they endured and it provides a broader perspective for those who were not there The background on the Vietnam War not officially declared reviews the critical battles and events that shaped the military and political strategies It provides an in depth look at Vietnam before during and after the tour of brothers was completed Our book includes the history of the Vietnam Conflict from 1950 75 and highlights the critical battles and events that shaped the military and political strategies including Ia Drang Valley LZ X Ray Siege at Khe Sanh Tet Offensive My Lai murders bombing of Cambodia and the Kent State shootings There were 27 million men eligible for the draft in that era Nine million served in the military and only three million served in Southeast Asia Our stories describe what many encountered during the Vietnam Conflict and represent many of the 2 6 who served in Vietnam This memoir provides a broader perspective for those who were not there and want to know about that era Interestingly many women have purchased the book as they want to know what their brothers uncles and fathers faced Our narrative is dedicated to those who fought in Vietnam and to the family members who still care for those seriously wounded And we believe those of that era who did not serve in Vietnam will gain a perspective on the conflict and that time period More than 58 000 American soldiers died in Vietnam 75 000 were permanently disabled and another 80 000 were seriously wounded This story explains why this happened May they all find peace Mark spent eighteen months in Vietnam serving there at the same time as his brother Don who was drafted a year later After Mark graduated from Kent State in 1972 he worked in the corporate world for more than thirty years before retiring in 2006 He then wrote a book titled Sales Secrets Today highlighting the most important ideas for achieving superior sales Don was drafted in 1969 into the Army as an infantryman He went through NCO advanced training at Ft Benning before being deployed to Vietnam His experiences included several frightening encounters with the enemy both on his Reconnaissance assignments and his regular grunt job Don Shaughnessy is also a graduate of Kent State and has worked at the Ashtabula Post Office until he retired a few years ago
