Trinity K P Ambroziak:

The Trinity K. P. Ambroziak, 2015-12-07 As Jacob uncovers the mystery of Stephen's past he realizes his mentor was embroiled in a plot far more sacrilegious than he originally thought. The scheme of his mentor's death pulls him deeper into the church bringing him closer to the elusive figure at the head of the Trinity. But once Jacob realizes his role in the Order's machinations it is too late for him to disentangle his truth from its heresy. A sacrilegious Order, a murdered priest, and a vault of secrets converge to make up The Trinity. Spite K. P. Ambroziak, 2016-11-02 After he discovers Byron's letters to a mysterious associate Vincent Du Maurier is put in the precarious position of saving a dying world one he had a hand in killing. But at the start of this third book the days of the bloodless are past and Vincent is living in a new age. He has a story to tell, a future to plan, and a new enemy to destroy. *The Journal of Vincent Du Maurier II* K. P. Ambroziak, 2015-07-01 Blood flows freely on Empress Cixi's ship but her den is not all it appears to be, especially her human cargo. While Vincent gets to know one of the centuries' most powerful vampires he discovers something about himself that changes who he is. And quite possibly who he will become. As Evelina adjusts to her new life she pines for her hero, the one vampire who seems to have abandoned her. But when she's taken from the Empress's ship used as bait to lure her hero into danger, her newfound gifts are tested and she's left on the brink of a new kind of death. If Vincent can't save Evelina once again he will suffer something greater than the loss of her blood. This second book in the series is a compilation of Evelina's notes and Vincent's journal, two perspectives on one life. Wrath K. P. Ambroziak, 2016-11-02 Blood flows freely in Empress Cixi's den but it's not everything it appears to be, especially the donors. As a guest on her ship Vincent has a secret to learn, a mystery to solve, and a novice to save. All the while Evelina must adjust to her awakening, discovering her new gifts and how to be a fierce competitor as the ship of vampires proves an unforgiving place. Rage K. P. Ambroziak, 2016-11-02 Science fiction and horror fans alike will anxiously race toward this journal's end and eagerly request the next installment. Publishers Weekly. In the days of the bloodless, a healthy human is a vampire's most valuable resource. But they are in short supply, and Vincent Du Maurier is hungry. Evelina could be the last human being alive, and she's pregnant, which makes her situation most inconvenient for Vincent. As he struggles to keep her and her unborn child from both the growing population of bloodless and his own kin, he faces the most difficult choice of his long life: whether to give in to his hunger and risk a destiny more bleak than Hades or deny his nature and become something far worse than dead: a compassionate vampire. *Trinity '43-'45* Gordon Parry, 1996 The Real Trinity Malachi York, 1993-06 *Abbey of the Holy Trinity* Abbey of the Holy Trinity (Huntsville, Utah), 1997 **Trinity** Lauren Patzer, Hiromi Cota, Amber Rainey, 2021-03 Blue Forge Press selected nine authors: three men, three women, three nonbinary, and sent them writing prompts every month for a year. We wanted to explore a triad of gender expression but instead discovered a more authentic creative trinity. Writer Idea Reader. Despite their vast and varied differences in experience, style, ideology, class, politics, race, sexuality, and religion, the authors all gave a year of their creative
