Chen, 2015-05-28 Complete proceedings of the 5th International Conference on IS Management and Evaluation Shaanxi China Published by Academic Conferences and Publishing International Limited **Examining Corruption and the Sustainable Development Goals** Yakubu, Ibrahim Nandom, 2024-03-18 In global development corruption entangles many societies most observably in the vulnerable fabric of developing nations Examining Corruption and the Sustainable Development Goals unravels the layers of this persistent challenge meticulously examining its pervasive influence on pursuing the United Nations Sustainable Development Goals SDGs This book ventures into the heart of corruption's impacts spanning economic social political and environmental dimensions Corruption manifesting in insidious forms such as bribery embezzlement and nepotism casts a daunting shadow over the integrity of public institutions eroding public trust crucial for sustainable development initiatives This book explores case studies robust theoretical frameworks and insightful policy perspectives It is tailored for an audience within the academic research community scholars researchers policymakers and development practitioners thirsty for an understanding of the complex interplay between corruption and sustainable development in the developing world *Apartheid and Fragmented Protest in Contemporary Southern Africa* Cuthbeth Tagwirei, 2025-09-26 Apartheid and Fragmented Protest in Contemporary Southern Africa examines protest movements through the lens of Apartheid Studies the first general theory of apartheid which explores how oppression harm injustice poverty loss and inequality persist The book argues that apartheid which breaks the world of the oppressed into fragments fomenting diverse experiences of oppression among its victims frames the nature and course of protests by making them subject to its fragmentation Protest is thus redefined as good neighbourly and demoted on account of its symbiotic relationship to apartheid It is observed that the proliferation of protests does not preclude the persistence of apartheid Rather protest and apartheid are seen to be compatible By examining protest hashtags on X from South Africa and Zimbabwe the book explores and identifies the forms relations meanings trajectories and effects protests take evoke and embody as fragments subsisting in a fractured apartheid universe It demonstrates how and why life goes on amidst protest sheds light on the contradictions paradoxes and complexities that characterise protest movements and invites conversations around protest as a paradigm in the context of apartheid The book will be of interest to researchers across the fields of social movements protests sociology African Studies and communication and media studies *e-Infrastructure and e-Services for Developing Countries* Amos Nungu, Bjorn Pehrson, Julianne Sansa-Otim, 2015-04-20 This book constitutes the thoroughly refereed proceedings of the 6th International Conference on e Infrastructure and e Services for Developing Countries AFRICOMM 2014 held in Kampala Uganda November 24 25 2014 The 31 revised full papers were carefully selected from 57 submissions and cover topics such as communication infrastructure health IoT cloud computing and TVWS ICT4D

applications access to information and ICT4D miscellaneous From Memory to Marble Elizabeth Rankin, Rolf Michael Schneider, 2020-09-07 For the first time the 92 metre frieze of the Voortrekker Monument in Pretoria one of the largest historical narratives in marble has been made the subject of a book The pictorial narrative of the Boer pioneers who conquered South Africa's interior during the Great Trek 1835-52 represents a crucial period of South Africa's past Conceptualising the frieze both reflected on and contributed to the country's socio-political debates in the 1930s and 1940s when it was made The book considers the active role the Monument played in the rise of Afrikaner nationalism and the development of apartheid as well as its place in post-apartheid heritage The frieze is unique in that it provides rare evidence of the complex processes followed in creating a major monument Based on unpublished documents drawings and models these processes are unfolded step by step from the earliest discussions of the purpose and content of the frieze through all the stages of its design to its shipping to post-war Italy to be copied into marble from Monte Altissimo up to its final installation in the Monument The book examines how visual representation transforms historical memory in what it chooses to recount and the forms in which it is depicted The second volume expands on the first by investigating each of the twenty-seven scenes of the frieze in depth providing new insights into not only the frieze but also South Africa's history Françoise van Schalkwyk of African Minds co-publisher with De Gruyter writes *From Memory to Marble* is an open access monograph in the true sense of the word Both volumes of the digital version of the book are available in full and free of charge from the date of publication This approach to publishing democratises access to the latest scholarly publications across the globe At the same time a book such as *From Memory to Marble* with its unique and exquisite photographs of the frieze as well as its wealth of reproduced archival materials demands reception of a more traditional kind that is on the printed page For this reason the book is likewise available in print as two separate volumes The printed and digital books should not be seen as separate incarnations each brings its own advantages working together to extend the reach and utility of *From Memory to Marble* to a range of interested readers For more material you can browse at Stanford's database *Voortrekker Monumentality* a digital archive

Socio-Spatial Small Town Dynamics in South Africa Ronnie Donaldson, 2023-07-14 This book explores small town geographical aspects by approaching them from a socio-spatial perspective The contributions included in this book delve into a range of topics that have not been commonly studied before such as white privilege neglect of municipal infrastructure collaborative governance livelihoods in small scale fisheries housing provision well-being in mining towns studentification in rural contexts election trends and the historical development of small town spas The book adopts a socio-spatial point of view providing a holistic understanding of the interplay between social and spatial factors within selected small town case studies This approach sheds light on the socio-economic political and cultural dynamics that shape small towns This localized perspective allows for a more targeted analysis of issues and potential solutions taking into account the specific historical cultural and political contexts of small town South Africa The edited volume serves as a valuable resource for academics

Claudia Mitchell,Katarina Giritli-Nygren,Relebohile Molestane,2023-12-18 Positionality and researcher reflexivity how to account for one s subject position remain as challenges for new researchers But they also remain as challenges for experienced researchers who are often involved in multiple research projects simultaneously Where Am I in the Picture sheds light on the idea of researcher positionality through visual methodologies

particularly in the context of studying rurality in Canada Sweden and South Africa The book is intended for new and experienced researchers seeking to decolonize their own perspectives in research in the social sciences and humanities It incorporates photographs drawings and memory work to highlight the social constructedness of what counts as rural Drawing together compelling narratives from researchers about their positionality in studying rurality the book highlights a need for greater attention to where we are in the picture more broadly It suggests that when it comes to the rural researchers need to rethink the interplay of dominant images insider and outsider perspectives and what this interplay means in relation to interpretation Where Am I in the Picture presents a new vision of how to take into consideration positionality in research
