

UNUTTERABLE HORROR

A History of Supernatural Fiction

2: The Twentieth and Twenty-first Centuries

S. T. JOSHI

Unutterable Horror A History Of Supernatural Fiction Volume I

Mark A. Fabrizi

Unutterable Horror A History Of Supernatural Fiction Volume I:

Unutterable Horror S. T. Joshi, 2014 Joshi examines the aesthetic and philosophical issues involved in the introduction of the supernatural in a literary work and traces the history of this literary mode from the time it became a recognized genre the later eighteenth century to the present day His focus is on the major writers in the field Horror Literature through History Matt Cardin, 2017-09-21 This two volume set offers comprehensive coverage of horror literature that spans its deep history dominant themes significant works and major authors such as Stephen King Edgar Allan Poe and Anne Rice as well as lesser known horror writers Many of today s horror story fans who appreciate horror through movies television video games graphic novels and other forms probably don t realize that horror literature is not only one of the most popular types of literature but one of the oldest People have always been mesmerized by stories that speak to their deepest fears Horror Literature through History shows 21st century horror fans the literary sources of their favorite entertainment and the rich intrinsic value of horror literature in its own right Through profiles of major authors critical analyses of important works and overview essays focused on horror during particular periods as well as on related issues such as religion apocalypticism social criticism and gender readers will discover the fascinating early roots and evolution of horror writings as well as the reciprocal influence of horror literature and horror cinema This unique two volume reference set provides wide coverage that is current and compelling to modern readers who are of course also eager consumers of entertainment In the first section overview essays on horror during different historical periods situate works of horror literature within the social cultural historical and intellectual currents of their respective eras creating a seamless narrative of the genre s evolution from ancient times to the present The second section demonstrates how otherwise unrelated works of horror have influenced each other how horror subgenres have evolved and how a broad range of topics within horror such as ghosts vampires religion and gender roles have been handled across time The set also provides alphabetically arranged reference entries on authors works and specialized topics that enable readers to zero in on information and concepts presented in the other sections

Historical Dictionary of Horror Literature Mark A. Fabrizio, 2023-12-06 Stories of vampires werewolves zombies witches goblins mummies and other supernatural creatures have existed for time immemorial and scary stories are among the earliest types of fiction ever recorded Historical Dictionary of Horror Literature is an invaluable aid in studying horror literature including influential authors texts terms subgenres and literary movements This book contains a chronology an introduction and an extensive bibliography The dictionary section has more than 400 cross referenced entries covering authors subgenres tropes awards organizations and important terms related to horror Historical Dictionary of Horror Literature is an excellent resource for students researchers and anyone wanting to know more about horror literature

American Horror Fiction and Class David Simmons, 2017-09-15 In this book Simmons argues that class as much as race and gender played a significant role in the development of Gothic and Horror fiction in a national context From the

classic texts of Edgar Allen Poe and Nathaniel Hawthorne right through to contemporary examples such as the novels of Stephen King and Stephenie Meyer s Twilight Series class remains an ever present though understudied element This study will appeal to scholars of American Studies English literature Media and Cultural Studies interested in class representations in the horror genre from the nineteenth century to the present day [A Century of Weird Fiction, 1832-1937](#) Jonathan Newell,2020-03-15 Offers a new critical perspective on the weird that combines two ways of looking at weird and cosmic horror Mingling of nausea and knowledge this book connects pulp horror with metaphysical insight offering an innovative approach aesthetics and metaphysics Combines recent speculative philosophy and affect theory **Absolute Fiction** Justin Prystash,2025-06-01 Explores the coevolution of Absolute idealist philosophy and British fiction from the Romantic period forward Absolute Fiction examines the principal form of idealism in the modern period Absolute idealism which posits that mind and matter must be understood in relation to all of reality the universe the Absolute This premise was variously articulated by philosophers and writers from Germany Britain India and beyond Absolute Fiction traces a genealogy from the creative adoption of Hinduism and German Idealism by Coleridge and Carlyle to Aldous Huxley s novelization of Advaita Ved nta Justin Prystash argues that canonical figures such as Hegel and George Eliot as well as overlooked ones such as May Sinclair and Anukul Chandra Mukerji found in the Absolute a provocation to account for more and more swaths of reality accounts that required at the limits of philosophy fictional prosthetics The thematic and formal experimentation of Romanticism realism science fiction horror weird fiction and modernism all draw upon Absolute idealism to reconceive subjectivity and ethics These experiments far from being antithetical to contemporary literary criticism reveal it to be more idealist than many would like to acknowledge *The Gothic Worlds of Peter Straub* John C. Tibbetts,2016-08-29 Horror novelist Peter Straub creates highly personalized fiction with an allusiveness and ambiguity that deny the genre s explicit nature For him the Gothic style is to be created and recreated in a changing world Faustian pacts buried secrets haunted places ghosts vampires and succubi take on strange new shapes and effects Stephen King describes Straub s style as a synthesis of horror and beauty Drawing on interviews with Straub and featuring an exclusive interview with King this study explores the work of the author who has been called a writer of rare wit and intelligence in a field beset with cynical potboilers Douglas E Winter Washington Post October 14 1984 [The Routledge Handbook to the Ghost Story](#) Scott Brewster,Luke Thurston,2017-11-14 The Handbook to the Ghost Story sets out to survey and significantly extend a new field of criticism which has been taking shape over recent years centring on the ghost story and bringing together a vast range of interpretive methods and theoretical perspectives The main task of the volume is to properly situate the genre within historical and contemporary literary cultures across the globe and to explore its significance within wider literary contexts as well as those of the supernatural The Handbook offers the most significant contribution to this new critical field to date assembling some of its leading scholars to examine the key contexts and issues required for understanding the emergence

and development of the ghost story Mummies around the World Matt Cardin, 2014-11-17 Perfect for school and public libraries this is the only reference book to combine pop culture with science to uncover the mystery behind mummies and the mummification phenomena Mortality and death have always fascinated humankind Civilizations from all over the world have practiced mummification as a means of preserving life after death a ritual which captures the imagination of scientists artists and laypeople alike This comprehensive encyclopedia focuses on all aspects of mummies their ancient and modern history their scientific study their occurrence around the world the religious and cultural beliefs surrounding them and their roles in literary and cinematic entertainment Author and horror guru Matt Cardin brings together 130 original articles written by an international roster of leading scientists and scholars to examine the art science and religious rituals of mummification throughout history Through a combination of factual articles and topical essays this book reviews cultural beliefs about death the afterlife and the interment entombment and cremation of human corpses in places like Egypt Europe Asia and Central and South America Additionally the book covers the phenomenon of natural mummification where environmental conditions result in the spontaneous preservation of human and animal remains **Horror Fiction in the 20th Century** Jess Nevins, 2020-01-07 Providing an indispensable resource for academics as well as readers interested in the evolution of horror fiction in the 20th century this book provides a readable yet critical guide to global horror fiction and authors Horror Fiction in the 20th Century encompasses the world of 20th century horror literature and explores it in a critical but balanced fashion Readers will be exposed to the world of horror literature a truly global phenomenon during the 20th century Beginning with the modern genre's roots in the 19th century the book proceeds to cover 20th century horror literature in all of its manifestations whether in comics pulps paperbacks hardcover novels or mainstream magazines and from every country that produced it The major horror authors of the century receive their due but the works of many authors who are less well known or who have been forgotten are also described and analyzed In addition to providing critical assessments and judgments of individual authors and works the book describes the evolution of the genre and the major movements within it Horror Fiction in the 20th Century stands out from its competitors and will be of interest to its readers because of its informed critical analysis its unprecedented coverage of female authors and writers of color and its concise historical overview
