Up Tight The Velvet Underground Story

Scott Hammen

Up Tight The Velvet Underground Story:

Uptight: The Velvet Underground Story Gerard Malanga, 2009-10-28 The best selling definitive history of The Velvet Underground Widely acclaimed as one of the greatest rock books ever published it first appeared in 1983 and has remained in print in several languages ever since Written and compiled by Victor Bockris and Gerard Malanga Up Tight is based on interviews with all four members of the Velvets as well as others who became part of Andy Warhol s circle of artistic collaborators **Up-tight** Victor Bockris, 1988 Up-tight Victor Bockris, Gerard Malanga, 1996 This text presents a history of the Velvet Underground including details of their association with Andy Warhol and The Factory It has been updated to detail the band s successful reunion tour and has been written by Factory insiders who have interviewed all four members of the group **Encyclopedia of the New York School Poets** Terence Diggory, 2015-04-22 Presents an alphabetical reference guide detailing the lives and works of poets associated with the New York Schools of the early twentieth century

Turn on Your Mind Jim DeRogatis, 2003-01-01 Book Turn On Your Mind Four Decades of Great Psychedelic Rock is a history and critical examination of rock s most inventive genre Whether or not psychedelic drugs played a role and as many musicians say they ve used them as not psychedelic rock has consistently charted brave new worlds that exist only in the space between the headphones The history books tell us the music s high point was the Haight Ashbury scene of 1967 but the genre didn t start in San Francisco and its evolution didn t end with the Summer of Love A line can be drawn from the hypnotic drones of the Velvet Underground to the disorienting swirl of My Bloody Valentine from the artful experiments of the Beatles Revolver to the flowing otherworldly samples of rappers P M Dawn from the dementia of the 13th Floor Elevators to the grungy lunacy of the Flaming Lips and from the sounds and sights at Ken Kesey s 60s Acid Tests to those at present day raves Turn On Your Mind is an attempt to connect the dots from the very first groups who turned on tuned in and dropped out to such new millennial practitioners as Wilco the Elephant 6 bands Moby the Super Furry Animals and the so called stoner rock and ork pop scenes *The Secret Public* Jon Savage, 2025-02-04 Rolling Stone UK Best Music Books of the Year A monumental history of the gay influence on popular culture from the rise of Little Richard to the collapse of disco in 1979 award winning author Jon Savage takes us on a fast and captivating journey through the history of pop music as seen through the eyes of queer artists Jon Savage the author of the canonical England s Dreaming explodes new ground in this electrifying history of pop music from 1955 through 1979 In demonstrating that gay and lesbian artists were responsible for many of the greatest cultural breakthroughs in the last half of the twentieth century he shows that it was their secretly encoded music appealing to a closeted but greatly oppressed public which led to the historic dismantling of discriminatory gay laws and the fusion of queer and straight culture Fittingly Savage s kaleidoscopic work begins with the pomp and pompadour appearance of Little Richard whose relentlessly driving sound replete with gospel shrieks and sexual contortions enthralled a generation of 1950s stultified white teenagers Things soon went mainstream as Elvis enthralled a nation with his

seductive low moans and bump and grind twists heavily derivative of Black music while James Dean and Rock Hudson became the face of 1950s Hollywood yet this explosion of queer expression remained covert and could not be accepted for what it was While music with supporting roles from cinema and fashion became the key medium through which homosexuality could be clandestinely enacted overt expressions of gay behavior were met with arrests and crackdowns While hippies reveled in 1967's Summer of Love gays remained harassed by police demonized by the media and politicians imprisoned simply for being who they were J Edgar Hoover himself a closeted homosexual continued to spy on homosexual deviants CBS's Mike Wallace aired an invidious show about homosexuality and the New York police continued to raid gay bars Yet the music itself produced a cultural eruption that simply could not be stanchd While Bette Midler sang Boogie Woogie Bugle Boys to a Continental Baths audience of 600 gay men all naked except for towels David Bowie blew the whole topic wide open and became the most totemic pop star of his generation Even though roadblocks remained the gear grinding crunch of the music signaled that the gay civil rights movement could no longer be suppressed Ending the narrative with the sudden collapse of disco The Secret Public asserts then that the genie was out of the bottle that queer culture had finally entered the mainstream producing a transcendent vision of pop culture that could never be marginalized again

Summer of Love Christoph Grunenberg, Jonathan Harris, Jonathan P. Harris, 2005-01-01 Though more than a generation has passed since the revolutionary fervor of the Summer of Love of 1967 the 1960s in many ways seem with us still From recurring debates over the war in Vietnam to the perpetually appealing music of the Beatles and the Rolling Stone to the concern about youth drug use the legacy of the 1960s is ubiquitous in contemporary life The Summer of Love brings together an impressive group of historians artists and cultural critics to present a rich and varied interpretation of this seminal decade and its continuing influence on politics society and culture The Summer of Love which accompanies an exhibition at Tate Liverpool pays particular attention to the wildly creative psychedelic art of the era Perceptive essays on psychedelic comics graphic design and typography light shows and film successfully rescue psychedelic art from the fog of nostalgia and unjust critical neglect Distinguished contributors also explore the role of 1960s fashion and architecture and they consider anew the central influence of hallucinogenic drugs on the art of the era Running throughout the essays are the elements of epochal change from sexual liberation to student revolutions that still form the backdrop of our collective consciousness of the 1960s An incisive collection of writings on all aspects of 1960s art and culture tempered by time and critical distance The Summer of Love will be indispensable for those who wish they had been there or for those who were but can't remember it

A Companion To Mekas Walden Scott Hammen, 2022-03-18 A Companion to Mekas Walden is an in depth guide to Jonas Mekas's film masterpiece It is designed to enrich the viewer's journey through the cultural ferment of New York City in the 1960s explored by Mekas's film When Mekas's Diaries Notes and Sketches also known as Walden premiered in New York in 1969 it opened a new chapter in the history of artists film A new generation suddenly discovered that the film medium was

not reserved for the commercial entertainment industry but could be used by individual artists and poets too And at the same time Walden was also an invaluable record of a time and place that was the nexus of multiple forms of American art including music painting dance theater and poetry As critic Amy Taubin wrote Whenever people ask me what it was like to live in New York in the 60s I refer them to Mekas s Walden A Companion to Mekas Walden provides a wealth of information on the film s subjects not just those like John Lennon and Andy Warhol who were already world famous but also many who have been undeservedly forgotten *Rock Music, Authority and Western Culture, 1964-1980* James A. Cosby,2024-02-07 The history of rock and roll music can be seen in a long arc of Western civilization s struggle for both greater individual expression and societal stability In the 1960s the West s relationship with authority ruptured in part due to the rock revolution The lessons and implications of this era have yet to be fully grasped This book examines the key artists music and events of the classic rock era defined here as 1964 to 1980 through a virtual psychoanalysis of the West Over these years important truths unfold in the stories of British Invaders hippies proto punks and more as well as topics to include drugs primal scream therapy the occult spirituality and disco and its detractors to name just a few Through a narrative that is equal parts entertaining scholarly and even spiritual readers will gain a greater appreciation for rock music better understand the confusing world we live in today and see how greater individuality and social stability may be better reconciled moving forward **The Rough Guide to The Velvet Underground** Peter K. Hogan,2007 Sporting shades and a feedback heavy sounds the Velvets straddled art and rock changing popular music forever and sowing the seeds for punk grunge and thousands of countercultural four chord wonders The Rough Guide to The Velvet Underground explores The Velvet Story How Lou Reed Sterling Morrison John Cale and the others emerged from the New York scene their successes and excesses and what happened to each in their solo years Velvet Music From their 1967 debut with Nico to their 1993 reunion with all the tales behind the tunes Velvet Universe Everybody who was anybody in the Velvet s world taking in Andy Warhol Edie Sedgwick David Bowie Delmore Schwaretsz and Brian Eno Velvet Goldmine The Underground on screen the Velvets New York clubs influences covers websites and more

Whispering the Strategies of Language: An Mental Quest through **Up Tight The Velvet Underground Story**

In a digitally-driven earth wherever monitors reign supreme and instant connection drowns out the subtleties of language, the profound secrets and emotional nuances hidden within phrases often go unheard.
