First Lessons Voice Michaela Neller, 2015-12-17 Just like a guitar saxophone piano clarinet or flute the voice is an instrument that requires training and education if one wishes to improve upon their natural ability Understanding the parts of the voice how it functions and

routinely practicing will help one's voice gain flexibility, agility, a wider range, and ultimately more control to consistently sing what you hear in your head. With this book, you will gain the knowledge of how your voice as an instrument and body part functions, what contributes to proper vocal health, how your breathing system works, and the technique to strengthen your breathing. Through the many exercises and songs included on the companion CD, as well as the accompaniment for a guided lesson to practice each day, you will have the opportunity to improve your vocal abilities.
