Voice Of The Living Light Voice Of The Living Light:

Voice of the Living Light Barbara Newman,2023-09-01 Hildegard of Bingen 1098 1179 would have been an extraordinary person in any age But for a woman of the twelfth century her achievements were so exceptional that posterity has found it hard to take her measure Barbara Newman a premier Hildegard authority brings major scholars together to present an accurate portrait of the Benedictine nun and her many contributions to twelfth century religious cultural and intellectual life Written by specialists in fields ranging from medieval theology to medicine to music these essays offer an understanding of how one woman could transform so many of the traditions of the world in which she lived Hildegard of Bingen was the only woman of her age accepted as an authoritative voice on Christian doctrine as well as the first woman permitted by the pope to write theological books She was the author of the first known morality play an artist of unusual talents the most prolific chant composer of her era and the first woman to write extensively on natural science and medicine including sexuality as seen from a female perspective She was the only woman of her time to preach openly to mixed audiences of clergy and laity and the first saint whose biography includes a first person memoir Adding to the significance of this volume is the fact that Hildegard s oeuvre reflects the entire sweep of twelfth century culture and society Scholars and lay readers alike will find this collection a rich introduction to a remarkable figure and to her tumultuous world With the commemoration of the 900th anniversary of Hildegard s birth in September 1998 the publication of Voice of the Living Light is especially welcome Hildegard of Bingen 1098 1179 would have been an extraordinary person in any age But for a woman of the twelfth century her achievements were so exceptional that posterity has found it hard to take her measure Barbara Newman a premier Hildegard autho

A Living Light Edward L. Ridsen,2009-01-08 A Living Light explores some of the major events in the life of Hildegard of Bingen mystic physician composer and one of the foremost intellectuals of the Middle Ages In the form of a dramatic novella it telescopes to such life changing events as the courageous recording of her visions the Church s acceptance of her accounts of prophetic experience the formation of her own abbey and the interdiction against her nuns for the burial of a revolutionary on holy ground A story of character spiritual doubt and achievement kindness and resolve and a life devoted to both faith and works A Living Light adds to the growing volume and range of works both scholarly and creative addressing the influence of this extraordinary woman it attests to the profound effects possible through the commitment of single loving creative individuals even in the most difficult and oppressive of times

Visualizing Medieval Performance Elina Gertsman,2017-07-05 Taking a fresh look at the interconnections between medieval images texts theater and practices of viewing reading and listening this explicitly interdisciplinary volume explores various manifestations of performance and meanings of performativity in the Middle Ages

The contributors from their various perspectives as scholars of art history religion history literary studies theater studies music and dance combine their resources to reassess the complexity of expressions and definitions of medieval performance in a variety of different media Among the topics considered are interconnections between ritual and theater dynamics of performative readings of illuminated manuscripts buildings and sculptures linguistic performances of identity performative models of medieval spirituality social and political spectacles encoded in ceremonies junctures between spatial configurations of the medieval stage and mnemonic practices used for meditation performances of late medieval music that raise questions about the issues of historicity authenticity and historical correctness in performance and tensions inherent in the very notion of a medieval dance performance *All My Eyes See* Pramuk, Christopher, McNichols, William

Hart, 2024-04-17 McNichols describes his spiritual journey and his artistic vocation with theologian Pramuk **The Christianity Reader** Mary Gerhart, Fabian Udoh, 2007-09 Christianity is the world's most populous religion with some two billion adherents As a world religion Christianity has flourished because it is capable of taking on new forms in new contexts To understand both the religion's history and its present state Mary Gerhart and Fabian Udoh gather original texts from early Christian writings to contemporary documents on church related issues in *The Christianity Reader* The most comprehensive anthology of Christian texts ever in English this is a landmark sourcebook for the study of Christianity's historical diversity With newly edited annotated and translated primary texts along with supplemental analytical essays the volume allows Christianity at long last to speak in its many voices Focusing on Christianity as a religion Gerhart and Udoh select texts that illuminate issues such as theology mysticism and ritual while also articulating the stories of previously marginalized groups as well as those in new and growing epicenters of the religion With nearly three hundred selections the texts encompass the entire history of Christian writings excluding the New Testament from Justin Martyr and Tertullian to Fabien Eboussi Boulaga and Teresa of Calcutta Eight thematic sections cover biblical traditions and interpretations early influences nascent forms patterns of worship structures of community philosophy theology and mysticism twentieth century issues and challenges and the contemporary relationship between Christianity and other world religions The Reader's contents are arranged chronologically and are supported with introductions and source notes that explain the rationale for their inclusion and their context Providing a far richer selection than ever before available in a single volume *The Christianity Reader* will be welcomed as both a classroom resource and a work of reference for decades to come *Multilingualism in the Middle Ages and Early Modern Age* Albrecht Classen, 2016-09-12 Bi and multilingualism are of great interest for contemporary linguists since this phenomenon deeply reflects on language acquisition language use and sociolinguistic conditions in many different circumstances all over the world Multilingualism was however certainly rather common already if not especially in the premodern world For some time now research has started to explore this issue through a number of specialized studies The present volume continues with the investigation of multilingualism through a collection of case

studies focusing on important examples in medieval and early modern societies that is in linguistic and cultural contact zones such as England Spain the Holy Land but also the New World As all contributors confirm the numerous cases of multilingualism discussed here indicate strongly that the premodern period knew considerably less barriers between people of different social classes cultural background and religious orientation But we also have to acknowledge that already then human communication could fail because of linguistic hurdles which prevented mutual understanding in religious and cultural terms
