Ritchie, Terry L. Birdwhistell, 2022-01-11 Had Elizabeth Bess Clements Abell 1933 2020 been a boy she would likely have become a politician like her father Earle C Clements Effectively barred from office because of her gender she forged her own path by helping family friends Lyndon and Lady Bird Johnson Abell s Secret Service code name Iron Butterfly exemplified her graceful but firm management of social life in the Johnson White House After Johnson s administration ended she maintained her importance in Washington DC serving as chief of staff to Joan Mondale and cofounding a public relations company Donald A Ritchie and Terry L Birdwhistell draw on Abell s own words and those of others known to her to tell her remarkable story Focusing on her years working for the Johnson campaign and her time in the White House this engaging oral history provides a window into Abell s life as well as an insider s view of the nation s capital during the tumultuous 1960s **Crawfish Bottom** Douglas Boyd, 2011-08-01 A small neighborhood in northern Frankfort Kentucky Crawfish Bottom was located on fifty acres of swampy land along the Kentucky River Craw s reputation for vice violence moral corruption and unsanitary conditions made it a target for urban renewal projects that replaced the neighborhood with the city s Capital Plaza in the mid 1960s Douglas A Boyd s *Crawfish Bottom Recovering a Lost Kentucky Community* traces the evolution of the controversial community that ultimately saw four hundred families displaced Using oral histories and firsthand memories Boyd not only provides a record of a vanished neighborhood and its culture but also demonstrates how this type of study enhances the historical record A former Frankfort police officer describes Craw s

Voices of African Immigrants in Kentucky Francis Musoni, Iddah Otieno, Angene Wilson, Jack Wilson, 2020-01-20

Following historical and theoretical overview of African immigration the heart of this book is based on oral history interviews with forty seven of the more than twenty two thousand Africa born immigrants in Kentucky. From a former ambassador from Gambia a pharmacist from South Africa a restaurant owner from Guinea to a certified nursing assistant from the Democratic Republic of Congo every immigrant has a unique and complex story of their life experiences and the decisions that led them to emigrate to the United States. The compelling narratives reveal why and how the immigrants came to the Bluegrass state whether it was coming voluntarily as a student or forced because of war and how they connect with and contribute to their home countries as well as to the US. The immigrants describe their challenges language loneliness cultural differences credentials for employment ignorance towards Africa and racism and positive experiences such as education job opportunities and helpful people. One chapter focuses on family including interviews with the second generations and how the immigrants identify themselves.

The Coal Miner Who Became Governor Paul E. Patton, Jeffrey S.

Suchanek, 2023-11-07 Born in a tenant house in Fallsburg Kentucky Paul Patton had a humble upbringing that held few clues about his future as one of the most prominent politicians in the history of the state. From the coal mines to the governor's office Patton's life exemplifies hard work determination and perseverance as well as the consequences of personal mistakes. In *The Coal Miner Who Became Governor* Patton with Jeffrey S. Suchanek details his personal professional and political life in Kentucky starting with his career in the coal industry. After working for his father in law J. C. Cooley in the 1950s he partnered with his brother in law to establish their own coal company which they sold for millions in 1978. Patton leveraged his business connections into a political career raising money for Democratic candidates before becoming the chair of the Kentucky Democratic Party. He first took elected office in 1981 as Pike County judge executive he then served a term as lieutenant governor 1991-1995 followed by an unprecedented two consecutive terms as governor. His overhaul of higher education in Kentucky led to his role as the University of Pikeville's president and chancellor even after his political career. In this compelling account Patton reveals the decision making process for campaign strategies selection of running mates postsecondary education and workers compensation reforms early childhood development initiatives and attempts at tax reform. He gives his unfiltered opinion about Mitch McConnell's scorched earth political philosophy and how it has failed Kentucky and he draws connections between public policy and party machinations during his time in office and the present day. He also addresses his fall from grace his extramarital affair with Tina Conner and its effects on his personal and professional life.

Gatewood Matthew Strandmark, 2023-11-07 When Louis Gatewood Galbraith passed away in 2012 the flood of tributes honoring him merely scratched the surface of the life of this colorful and controversial figure. Throughout his

political career regional and national media outlets focused on the policy ideas and public acts that made Galbraith a cultural fixture public demonstrations an affinity for recreational drug use unfiltered language and recurring political campaigns Best known as an advocate for the legalization of cannabis Second Amendment rights and smaller government Galbraith was a perennial candidate whose once quixotic platform might have found traction in contemporary Kentucky politics In Gatewood Kentucky's Uncommon Man Matthew Strandmark weaves together personal stories public records and oral history interviews to provide a comprehensive overview of the life and career of an eccentric and fascinating figure From his ailment plagued childhood in Carlisle Kentucky to his young adulthood spent at the fringes of Lexington society the opening chapters of Galbraith's life were vital in developing the values that later came to define his political career his passion for rural communities and low tolerance for bullies As a college dropout in the 1960s Galbraith explored both conventional and unconventional avenues of self discovery before returning to the University of Kentucky where he graduated from law school and found his calling as an evangelist for cannabis legalization His appetite for the spotlight and his penchant for standing up for the underdog launched Galbraith into a thirty year career of campaigning groundbreaking legal cases public activism throughout the commonwealth and friendships with celebrities including Woody Harrelson Jack Herer and Willie Nelson As an attorney activist author father friend and opponent Galbraith wore many hats and not just his beloved fedora This revealing biography features insightful conversations with Galbraith's family and colleagues as well as commentary from Paul E Patton Ernie Fletcher Andy Barr Ben Chandler and other well known Kentuckians Gatewood provides a richer and nuanced understanding of a generous complicated and flawed public figure who devoted his life to helping others and whose legacy will continue to resonate with Kentuckians for generations to come [The Congressional Globe](#) United States.
