To Afghanistan And Back A Graphic Travelogue:

To Afghanistan and Back Ted Rall, Bill Maher, 2003-09-01 Introduction by Bill Maher When U S bombs started raining on the Taliban Rall jumped on a plane straight to the war zone to get the real story for himself Featuring his Village Voice articles and a graphic novel

Graphic History Richard Iadonisi, 2012-11-30 When it comes to recounting history issues arise as to whose stories are told and how reliable is the telling This collection of fourteen essays explores the unique ways in which graphic novels can aid us in addressing those issues while shedding new light on a variety of texts including those by canonical North American and European writers Art Spiegelman Maus In the Shadow of No Towers Alan Moore From Hell The League of Extraordinary Gentlemen Frank Miller The Dark Knight Returns Chris Ware Jimmy Corrigan Chester Brown Louis Riel and Harvey Pekar Recognizing the global appeal of graphic novels this collection also provides a fresh look at history seen through the eyes of canonical non Western writers Marjane Satrapi Persepolis and Yoshihiro Tatsumi A Drifting Life and the highly vexed relationship of the West and the Middle East The array of contributors from the fields of art literature history and cultural studies is matched by the array of theoretical perspectives and by the depth and breadth of subjects ranging from the sixteenth century voyages of Sebastian Cabot to Jack the Ripper from the Chicago World's Columbian Exposition of 1893 to lynching in the early twentieth century American South and from post war Japan to the fall of the Shah in Iran

Factual Fictions Leonora Flis, 2010-08-11 Factual Fictions Narrative Truth and the Contemporary American Documentary Novel focuses on contemporary American documentary narratives specifically the documentary novel as it re-emerged in the 1960s and later developed into various other forms The book explores the connections between the documentary novel and the concurrent rise of New Journalism aka literary journalism in the United States situating the two genres in the cultural context of the tumultuous 1960s and an emerging postmodern ethos Flis makes a comprehensive analysis of texts by Truman Capote Norman Mailer John Berendt and Don DeLillo while tackling discussions on various theoretical complexities with assurance and rigor Interested in the precarious divide between fact and fiction the author productively complicates traditional notions of the two poles Furthermore the book examines parallels between contemporary Slovene documentary narratives and their American counterparts Flis's work with its systematic and innovative approach to the subject matter adds an important historical dimension to the developing field of literary journalism studies as well as to the more established area of 20th Century American literature

After We Kill You, We Will Welcome You Back as Honored Guests Ted Rall, 2025-08-22 An unflinching account in words and pictures of America's longest war by our most outspoken graphic journalist Ted Rall traveled deep into Afghanistan without embedding himself with U S soldiers without insulating himself with flak jackets and armored SUVs where no one else would go except of course Afghans He made two long trips the first in the wake of 9/11 and the next ten

years later to see what a decade of U S occupation had wrought On the first trip he shouted his dispatches into a satellite phone provided by a Los Angeles radio station attempting to explain that the booming in the background and sometimes the foreground were the sounds of an all out war that no one at home would entirely own up to Ten years later the alternative newspapers and radio station that had financed his first trip could no longer afford to send him into harm s way so he turned to Kickstarter to fund a groundbreaking effort to publish online a real time blog of graphic journalism essentially a nonfiction comic documenting what was really happening on the ground filed daily by satellite The result of this intrepid reporting is *After We Kill You We Will Welcome You Back as Honored Guests* a singular account of one determined journalist s effort to bring the realities of life in twenty first century Afghanistan to the world in the best way he knows how a mix of travelogue photography and award winning comics Coins & Currency of the Middle East Tom Michael, George S.
