To Live With Christ Devotions By Bo Giertz:

To Live with Christ Bo Giertz, 2008 *To Live With Christ* translates a collection of Bo Giertz's classic devotions for those who want to explore their Christian faith and to connect God's Word in their daily lives. Each Christ-centered devotion embraces the church year calendar and includes a Bible reading meditation and a prayer. Bo Giertz was a pastor, author, and Swedish confessional Lutheran bishop. [The New Testament Devotional Commentary, Volume 1](#) Bo Giertz, Bror Erickson, 2021-11-16 Bo Giertz was a serious biblical scholar who avoided the ivory tower. He studied classics in undergrad before taking up theology in preparation for the ministry. In 1930 he spent time on an archeological dig in Palestine and travelled the country with his exegetical professor Anton Fridrichsen who insisted on Biblical Realism which avoided fundamentalism and yet refused to succumb to higher criticism. In these commentaries Bo Giertz takes what he learned from a lifetime of such study and application in sermons and visits with people to open Scripture to anyone who wants to grow in their faith. He never avoids the hard questions concerning the texts and yet tackles them in such a way as to restore confidence in God's word. Here he is concerned with what the text meant to those who first wrote it and heard it so he can deliver the same goods to us today. **The New Testament Devotional Commentary, Volume 3** Bo Giertz, Bror Erickson, 2023-08-15 In the third volume of his New Testament Devotional Commentaries Volume 3 Galatians Through Revelation Bo Giertz returns to the text with his keen insight and love for God's word and God's people. This would finish his work as an author that began in the 1930s and continued for five decades. Taking the principles of Biblical Realism he had learned from his mentor Anton Fridrichsen with its rejection of both liberal higher criticism and fundamentalist biblicism Bo Giertz opens some of the most difficult to understand texts in all of Scripture with a simple understanding that this is God's word for you. He blends this approach to Scripture with pastoral insight gained from his years as both a rural parish priest in the Swedish countryside and the Bishop of the bustling cosmopolitan center of Gothenburg. His commentary on Revelation is particularly revolutionary. Appendix: The Bible's View of Itself and Other Views of the Bible. [The New Testament Devotional Commentary, Volume 2](#) Bo Giertz, Bror Erickson, 2022-08-09 Bo Giertz wrote these commentaries in retirement after a lifetime of studying the Greek New Testament. These accompanied his own translations of the New Testament. This volume covers the Gospel of John through to Second Corinthians. Many have previously enjoyed Giertz's Romans commentary that is also included here and they will not be disappointed with his treatment of the other texts. Giertz's views were heavily shaped by his mentor Anton Fridrichsen who wanted to counter both the liberalism of men like his friend Rudolph Bultmann and the neo orthodoxy of Karl Barth with Biblical Realism. Biblical Realism sought to avoid the pitfalls of biblicism by allowing for academic freedom while studying scriptures while also maintaining that the events of the Bible were true events that happened in our history, all centered upon the death and resurrection of Christ. The scriptures are therefore a salvation history meant to declare to you a message by which you will be saved you and your household. Acts 11:14 **Christ's**

[A Year of Grace, Volume 2](#) Bo Giertz, Bror Erickson, 2019-11-11 A Year of Grace Vol 2 is a collection of Bo Giertz's sermons from the second half of the liturgical calendar following the day of Pentecost He preached the earlier sermons in his ten years as a parish pastor at Torpa a small rural town in Sweden where he began his pastoral career and wrote such books as *The Hammer of God* and *With My Own Eyes* These early sermons are strongly influenced by the *ordo salutis* order of salvation that he took over from Henric Schartau yet always with an emphasis on salvation by grace rather than the order His later sermons were preached as the Bishop of Gothenburg throughout his diocese and as a guest preacher elsewhere These retain the influence of Henric Schartau in that they seek to directly address the three hearers unbelievers those awakened to the law and mature Christians yet his style takes on more subtlety in when where and how these hearers are addressed in the context of the sermon The result is a collection of sermons that provide both great weekly devotions as the collection was intended and a program of study for pastors and others wanting to learn how to rightly handle the word of truth 2 Tim 2 15
