Toby's Purpose Teaching Children About God's Love One Story At A Time:

Toby's Purpose Vacation Bible School / Sunday School Debra Griffin, 2018-03-14 Toby's Purpose Vacation Bible School Sunday School is a Supplemental Curriculum that is great for plugging in where you need additional material. This story is about purpose and vision. Toby is a frog sitting on his lily pad croaking who cares. He finds out God cares for him and rescues a baby frog and helps his friends learn about God. He now croaks God cares for me. Scripture Reference is 1 Peter 5:7. Cast all of your cares on God because he cares about you. **One Miracle After Another** Jacqueline Kosednar, 2000-11-29 Ordinary life is suddenly shattered for an Alaskan family as a trip to a clinic reveals that nine-year-old Toby Wood doesn't have the flu but a form of childhood cancer called Acute Lymphoblastic Leukemia. After 31 months of standard medical treatment including chemotherapy, Toby and his family are introduced to the world of alternative healing. The race against time quickly becomes a high-powered spiritual journey finding a cure for Toby. Embracing the spirit of the warrior in all its attributes of courage, compassion, discipline, intelligence, and self-knowledge, Toby faces some of the biggest challenges of our time: cancer, healing, and the medical establishment. Toby helps to pioneer the holistic health movement as he teaches healers how to heal and medical doctors that there are many non-toxic remedies more effective than drugs. Toby's story demonstrates the power of prayer to produce physical results and that all things are possible to those who believe. Anyone who has ever heard the still small voice within will find resonance in Toby's story. If you or a loved one has a terminal illness, are battling any physical condition, or are seeking a cure beyond the medical paradigm, this book will put a song of hope in your heart.

Farmer's Advocate and Home Magazine, 1897 **The New Generation Value Story Book** Dipo Toby Alakija, According to results of various research works, the causes of social vices and crimes are attributed to the erosion of family, traditional, moral, religious, and national values which are usually designed to make people responsible and reasonable. Invariably, people are not born to become responsible or irresponsible. They are actually taught to become what they are right from childhood. Unless adults man up to their responsibilities especially towards young generations by giving them Value Education, vices and crimes are likely going to be on the increase. In order to equip parents, teachers, and other children handlers with resource materials, the author introduces Value Education to them in this and other books. He blends Moral Instructions with Academics through the use of stories, nursery rhymes, class activities, and other study items which are designed to impact children of all ages with moral and other values. Network Bible Club Story Book One Dipo Toby Alakija, 2012-05-11 The issue of moral instructions in schools and at homes is threatened with extinction. Consequently, so many youths are involved in prostitution, drug addictions, cultism, fraudulent practices, armed robberies, and other crimes. Those who are supposed to be trained as leaders in various walks of life are the ones posing serious threats to many lives. Many parents who fail to add moral values to the upbringing of their children often times breed potential criminals under their roofs without knowing it. Apart from these many other people negatively influence young ones through the media, music,

publications films conduct and foul language making them to lose their moral and family values This book one just like the rest of other volumes is an attempt to bring back moral instructions into schools and campuses through the use of stories hymn tuned songs poems Bible lessons and class activities It is designed to assist teachers and ministers in Secondary Schools Bible Clubs Churches and Campus Fellowships to teach people especially youths the Word of God and serves as a school text book in subjects relating to literature music and other creative works **Catalog of Copyright Entries** Library of Congress.
