Tochar Walking Irelands Ancient Pilgrim Paths:

Tochar Darach MacDonald,2013 *Tóchar* Darach MacDonald,2013 Tochar Causeway is a walking pace travelogue through the country that was dubbed the Island of Saints and Scholars long before the Celtic Tiger took up residence Set against the backdrop of spectacular scenery in every corner of Ireland the book recounts the trials and tribulations of a modern day pilgrim who follows in the footsteps of the ancients along prescribed paths which range from hikes of a few hours duration to day long treks and the three day ordeal in St Patrick s Purgatory This is a guide to the magical soul of Celtic Christianity written from the perspective of a struggling a la carte Irish Catholic who could best be described as a healthy skeptic in matters of belief The result is a narrative that is at times uplifting and at times uncomfortable but which is always engaging and honest While there are pilgrimage prayers along the Tochar as well as historical background on the places once revered throughout Christendom there are also pints in pleasant pubs a rich diversity of literary references anecdotes and personal reflections on faith morality and religious practice which are offered in a spontaneous and unselfconscious spirit
