

NURSERY RHYME

WEEKLY PLAN

MONDAY	Present the whole class anchor chart and read it to students using lots of inflection and expression. Reread it, pointing to each word as you read it. Some students will already be familiar with the rhyme and say it with you. Others will catch on as you repeat it over and over. Let students color an individual nursery rhyme and paste it in their notebook. Reread it together as students follow along in their notebooks.
TUESDAY	Reread the nursery rhyme several times using the whole class chart as students read with you. Highlight the rhyming words with either highlight tape, a dry erase marker (if your chart is laminated), or a sticky note. Let students use a yellow highlighter to highlight the rhyming words in their notebook as well.
WEDNESDAY	Assign props or cards to students to act out a portion of the rhyme, to be a particular item from the nursery rhyme, or to be a character. The rest of the class serves as the narrator and reads the rhyme while the characters dramatize it. Swap roles.
THURSDAY	Let students color and cut out the nursery rhyme dramatization cards and place them in an envelope. Then students color and fold the one page nursery rhyme foldable book that corresponds and place it in the envelope. Students practice "reading" the nursery rhyme and using the props to act it out.
FRIDAY	Students do a final fluent reading of the nursery rhyme either individually or as a group, then take their envelope with their mini book and character cards home to practice their nursery rhyme again and again with their families.
