Treatment And Rehabilitation Of Severe Mental Illness:

Treatment and Rehabilitation of Severe Mental Illness William Delbert Spaulding, Mary Elizabeth Sullivan, Jeffrey S. Poland, 2003-01-24 Synthesizing the growing body of biomedical and psychosocial research on the nature and treatment of severe mental illness this volume presents an innovative framework for planning and implementing effective rehabilitation services An integrative model of case formulation is described that conceptualizes the individual's recovery on multiple levels physiological cognitive interpersonal behavioral and environmental The authors draw on outcome research and extensive clinical experience to identify interventions of known effectiveness including psychopharmacology functional assessment behavioral analysis and cognitive therapies Outlining a comprehensive approach to assessment treatment and progress evaluation the book also provides practical recommendations for program development and staff training A broad range of professionals involved in treatment and rehabilitation of people with severe mental illness including clinical psychologists neuropsychologists and psychiatrists as well as advanced students in these areas Also of interest to nurses hospital administrators and social workers

Issues in Community Treatment of Severe Mental Illness American Psychiatric Association, H. Richard Lamb, 1999 The book is a compendium of articles from Psychiatric Services on issues in community treatment of severe mental illness

New Models of Care for Patients with Severe Mental Illness - Bridging In- and Outpatients Martin Heinze, Yasser Khazaal, Alexandre Wulschleger, 2018-03-13 Over the past years psychiatric services have been continuously faced with the challenge of providing comprehensive care to people suffering from severe mental illnesses Legal and conceptual advances like the UN convention on the rights of persons with disabilities or the concept of recovery have rendered this challenge more actual and urgent than ever However psychiatric institutions often show only low levels of cooperation and integration between their different services Hence they need to develop new ways of bridging all sectors of care in order to help people most in need on their way to recovery and full inclusion in society In this research topic European researchers and clinicians present new ways of dealing with this essential issue by developing strategies and interventions on both institutional and non institutional levels The nine contributions of this ebook thus reflect actual clinical and conceptual considerations They all aim at improving quality of care and providing adequate support to people suffering from severe mental illness

Principles and Practice of Psychiatric Rehabilitation Patrick W. Corrigan, Kim T. Mueser, Gary R. Bond, Robert E. Drake, Phyllis Solomon, 2012-08-22 This comprehensive authoritative text provides a state of the art review of current knowledge and best practices for helping adults with psychiatric disabilities move forward in their recovery process The authors draw on extensive research and clinical expertise to accessibly describe the whats whys and how tos of psychiatric rehabilitation Coverage includes tools and strategies for assessing clients needs and strengths integrating medical and psychosocial interventions and implementing supportive services in such areas as housing employment social networks education and physical health Detailed case examples in every chapter illustrate both the real

world challenges of severe mental illness and the nuts and bolts of effective interventions *Research Handbook on Mental Health Policy* Christopher G. Hudson, 2022-11-18 This Research Handbook is an essential guide to the design and use of research in mental health policy from a global perspective It focuses on public mental health as well as quasi public and private policies in nations with significant private sectors *A Working Life for People with Severe Mental Illness* Deborah R. Becker, Robert E. Drake, 2003-06-12 Traditional approaches to vocational rehabilitation such as skills training classes job clubs and sheltered employment have not been successful in helping people with severe mental illness gain competitive employment Supported employment in which clients are placed in jobs and then trained by on site coaches is a radically new conceptual approach to vocational rehabilitation designed for people with developmental disabilities The Individual Placement and Support IPS method utilizes the supported employment concept but modifies it for use with the severely mentally ill It is the only approach that has a strong empirical research base rates of competitive employment are 40% or more in IPS programs compared to 15% in traditional mental health programs The third volume in the Innovations in Practice and Service Delivery with Vulnerable Populations series this will be extremely useful to students in psychiatric rehabilitation programs and social work classes dealing with the severely mentally ill as well as to practitioners in the field
