Jenkins, Tim LaHaye, 2011-07-05 As another prophecy is fulfilled in Jerusalem Judd and Lionel are startled by what they find On their way back to Illinois they encounter a detour and end up as witnesses to one of the most terrifying events of the Tribulation After running for their lives the Young Trib Force find a new hiding place in Wisconsin where Vicki and the others watch the frightening events unfold in Israel As the world prepares to take the Mark of Nicolae Carpathia the Young Trib Force members try to convince people of the consequences The events in Unmasked parallel those that occur in the bestselling book The Indwelling

Unmasked Paul Holes, 2022-04-26 THE INSTANT NEW YORK TIMES BESTSELLER It's a mark of the highest honor when I say it's even more riveting than an episode of Dateline The New York Times From Paul Holes the detective who found the Golden State Killer Unmasked is a memoir that grabs its reader in a stranglehold and proves more fascinating than fiction and darker than any noir narrative LA Magazine I order another bourbon neat This is the drink that will flip the switch I don't even know how I got here to this place to this point Something is happening to me lately I'm drinking too much My sheets are soaking wet when I wake up from nightmares of decaying corpses I order another drink and swig it trying to forget about the latest case I can't shake Crime solving for me is more complex than the challenge of the hunt or the process of piecing together a scientific puzzle The thought of good people suffering drives me for better or worse to the point of obsession People always ask how I am able to detach from the horrors of my work Part of it is an innate capacity to compartmentalize the rest is experience and exposure and I've had plenty of both But I have always taken pride in the fact that I can keep my feelings locked up to get the job done It's only been recently that it feels like all that suppressed darkness is beginning to seep out When I look back at my long career there is a lot I am proud of I have caught some of the most notorious killers of the twenty first century and brought justice and closure for their victims and families I want to tell you about a lifetime solving these cold cases from Laci Peterson to Jaycee Dugard to the Pittsburgh homicides to yes my twenty year long hunt for the Golden State Killer But a deeper question eats at me as I ask myself at what cost I have sacrificed relationships joy even fatherhood because the pursuit of evil always came first Did I make the right choice It's something I grapple with every day Yet as I stand in the spot where a young girl took her last breath as I look into the eyes of her family I know that for me there has never been a choice I don't know if I can solve your case I whisper But I promise I will do my best It is a promise I know I can keep

The Rapture Tim LaHaye, Jerry B. Jenkins, 2013-02-08 In this the final prequel to the blockbuster series the story features the Rapture three quarters of the way through the book and then follows characters such as Irene and Raymie and others up to heaven where they are able to see events in the Tribulation from heaven s perspective The story alternates between events on earth immediately after the Rapture covering lots of things the authors wished they could have covered in the original volumes and characters in heaven and how they view the chaotic events on earth
