Unshaven Modern Women Natural Bodies:

Unshaven Tina Horn, 2015 Whimsical defiant naturalistic sensual photographs and essay offer startling yet comforting views of women who do not shave their bodies **Artifacts from Modern America** Helen Sheumaker, 2017-11-03 This intriguing book examines how material objects of the 20th century ranging from articles of clothing to tools and weapons communication devices and toys and games reflect dominant ideas and testify to the ways social change happens Objects of everyday life tell stories about the ways everyday Americans lived Some are private or personal things such as Maidenform brassiere or a pair of patched blue jeans Some are public by definition such as the bus Rosa Parks boarded and refused to move back for a white passenger Some material things or inventions reflect the ways public policy affected the lives of Americans such as the Enovid birth control pill An invention like the electric wheelchair benefited both the private and public spheres it eased the lives of physically disabled individuals and it played a role in assisting those with disabilities to campaign successfully for broader civil rights *Artifacts from Modern America* demonstrates how dozens of the material objects items technologies or inventions of the 20th century serve as a window into a period of history After an introductory discussion of how to approach material culture the world of things to better understand the American past essays describe objects from the previous century that made a wide ranging or long lasting impact The chapters reflect the ways that communication devices objects of religious life household appliances vehicles and tools and weapons changed the lives of everyday Americans Readers will learn how to use material culture in their own research through the book's detailed examples of how interpreting the historical cultural and social context of objects can provide a better understanding of the 20th century experience Unshaved Breanne Fahs, 2022-06-14 Gross Dirty Monstrous Manly Authentic Beautiful Natural Powerful Body hair especially on women provokes disrupts and at times offends It is tangled up with culture itself in art families workplaces relationships sex the beauty industry governments and capitalism From Chinese activists challenging the Communist Party to students in Arizona rejecting their family and workplace ideas about grooming to high art feminist photographers boldly featuring hairy women Fahs deftly explores the volatile and ever changing landscape of women's body hair politics She showcases an underground movement of artists zine makers rebels and activists who have used women's visible body hair as a declaration of freedom from patriarchal norms Fahs presents body hair not just as a personal grooming choice but as a connection to broader cultural stories about women's reproductive rights feminist battlegrounds about autonomy neoliberal intrusions into beauty regimens and even global tensions around women's place in society Ultimately *Unshaved* shows the collision between the mundane and the extraordinary the everyday and the revolutionary The One-Sex Body on Trial: The Classical and Early Modern Evidence Helen King, 2016-02-17 By far the most influential work on the history of the body across a wide range of academic disciplines remains that of Thomas Laqueur This book puts on trial the one sex two sex model of Laqueur's *Making Sex Body and Gender from the Greeks to Freud* through a detailed exploration of the ways in

which two classical stories of sexual difference were told retold and remade from the mid sixteenth to the nineteenth century Agnodike the first midwife who disguises herself as a man and then exposes herself to her potential patients and Phaethousa who grows a beard after her husband leaves her are stories from the ancient world that resonated in the early modern period in particular Tracing the reception of these tales shows how they provided continuity despite considerable change in medicine being the common property of those on different sides of professional disputes about women's roles in both medicine and midwifery The study reveals how different genres used these stories changing their characters and plots but always invoking the authority of the classics in discussions of sexual identity The study raises important questions about the nature of medical knowledge the relationship between texts and observation and the understanding of sexual difference in the early modern world beyond the one sex model

Bodies, Sex and Desire from the Renaissance to the Present Kate Fisher, Sarah Toulalan, 2015-12-11 An examination of how bodies and sexualities have been constructed categorised represented diagnosed experienced and subverted from the fifteenth to the early twenty first century It draws attention to continuities in thinking about bodies and sex concept may have changed but they nevertheless draw on older ideas and language

Exceptional Bodies in Early Modern Culture Maja Bondestam, 2025-10-01 Drawing on a rich array of textual and visual primary sources including medicine satires play scripts dictionaries natural philosophy and texts on collecting wonders this book provides a fresh perspective on monstrosity in early modern European culture The essays explore how exceptional bodies challenged social religious sexual and natural structures and hierarchies in the sixteenth seventeenth and early eighteenth centuries and contributed to its knowledge moral and emotional repertoire Prodigious births maternal imagination hermaphrodites collections of extraordinary things powerful women disabilities controversial exercise shapeshifting phenomena and hybrids are examined in a period before all varieties and differences became normalized to a homogenous standard The historicizing of exceptional bodies is central in the volume since it expands our understanding of early modern culture and deepens our knowledge of its specific ways of conceptualizing singularities rare examples paradoxes rules and conventions in nature and society

The Sexual Life of Our Time in Its Relations to Modern Civilization Iwan Bloch, 2023-08-11 Reproduction of the original

When Romeo Met Juliet Leslie Dunkling, 2005 Why do people fall passionately in love at first sight Shakespeare and more than 200 other writers and poets provide some surprising answers

Climate, Clothing, and Agriculture in Prehistory Ian Gilligan, 2019 The first book on the origin of clothes shows why climate change was crucial for the origin of agriculture too

Forbidden Fruits Ray Broadus Browne, 1984 This volume examines the concept of taboos and tabooism and a dozen powerful ones in our society and suggests the control they exert on our everyday lives
